MAYOR'S REPORT

Lynn Eisentrout

On behalf of the Council, Clerk/Treasurer, and myself, I would like to thank you for your overwhelming support of the levy. It passed by slightly over 77%. We will continue to make every effort to spend your tax dollars wisely.

Condolences: The Village lost two residents this past month-Dick Paugh and Jo Lynn Stewart. Mr. Paugh and his wife, Alice, have lived in the Village for more than 40 years. He was a former Council member, a co-founder of the Minerva Park Civic Association, and very involved in environmental issues including our lakes and parklands. Mrs. Stewart and her husband, George, a/k/a Nebo the Magician, have lived in the Village for more than 50 years. She was a former member of the Minerva Park Women's Club. We were saddened to hear of the tragic death of Heartland Check Cashing's District Manager Justin Miller and extend our sympathies to his family.

Flu Clinic and Senior Wellness Clinic: We are partnering with the Franklin County Board of Health to offer flu shots to our residents Thursday, December 13 from 2:00 to 4:00 p.m. at the Community Building and a Senior Wellness Clinic the second Tuesday of each month from 9:00 a.m. to noon. Please see page 5 for details.

MAYOR'S OFFICE HOURS

M – 8a-1p and 4p-6p
 Tu – 4p-6p
 W, F – 8a-noon
 Th – 6p-8p
 Sat, December 8 – 10a-noon

Soliciting: I have received several phone calls from residents about companies that are soliciting without permits. I have personally escorted two of these groups out of our Village. First, please exercise caution when answering your door. Second, if someone is representing any group other than a school, church, scout troop, or political candidate, they must have a permit from the MP police department. I strongly suggest that you request to see a permit BEFORE you conduct any business transaction. If they cannot produce a permit for you, please contact me or the police department and exercise caution when dealing with them. To obtain a permit under our current code, a business and all representatives that will be in the Village undergo a background check, must register all vehicles that will be in the Village, and will be limited to a certain time frame to solicit. I have asked our Law Director to review case law that is pertinent to legislation regulating solicitors, the permit process, and fines imposed on those who do not seek and receive permits. We will then draft new legislation that will reflect the new regulations.

2008 Street Repair Project: There is still no word from the Ohio Public Works Commission concerning our grant application.

North Lake: Several residents living on the north lake have called about algae and weeds on the surface of the lake. I have met with two water quality testing company representatives. We have contracted with Aqua Doc to conduct extensive water testing on both lakes in the spring for a sum not to exceed \$850. The prevailing opinion is that we are seeing Water

Meal and Duck Weed, but we'll wait for the test results and then consider what remedial steps are to be taken next year.

Hazardous Waste: You may have seen the article in the November 21 issue of the Dispatch that the Solid Waste Authority has contracted with Environmental Enterprises to accept hazardous waste materials such as paint, gasoline, paint thinner, pool chemicals, etc. The address is 1249 Essex Avenue, off I-71 near the 11th Avenue exit. Beginning Wednesday, November 28, the

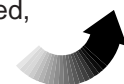

Special Council Meeting
 Council's regular work session on Saturday, December 8, at 8:00a, will be a special council meeting for the purpose of considering the Village Engineer contract and any other business that comes before Council.

hours of operation are from 2:00 to 9:00 p.m. on Wednesdays and 9:00 a.m. to 6:00 p.m. Thursdays. Please go to www.swaco.org for a complete list of acceptable materials.

All Council members were present for the Regular Council meeting held November 12, 2007. The following departmental reports were made:

Police: Chief Bobbie Hillard reviewed his monthly report. Cruiser #2's engine has to be replaced at a cost of \$3,600, \$1,200 of which will be paid by the insurance company.

EMS: Chief Rick Hoehstetter reviewed his monthly report. A leaking fire hydrant at 2678 Lakewood Drive will be repaired, and three other hydrants

need attention. A fire code violation at a business located in the Cleveland Avenue-Jordan Road strip mall is being investigated, and Chief Hoechstetter, along with Code Enforcement Officer Dick Busick, are pursuing safety issues at the Payless QuickStop site.

Planning & Zoning and Code Enforcement: Dick Busick reported that quite a few letters have been distributed asking residents to rake their leaves to the curb, not into the street. A citation into Mayor's Court was issued to a rental property for a commercial truck and lack of property maintenance, and a notice was issued for a truck that was illegally parked on Village property. A fence permit was approved for a Wildwood resident.

Minerva Park Community Association: Councilman Dave Way reported that the Street Reps would be attending the November monthly meeting and that more street reps are needed. If anyone is interested in volunteering, please call Lisa Craddock-Thitoff at 891-2166. Mayor Eisentrout reported that only 50 residents have registered for the Carriage Rides.

Northland Community Council: Representative Kent Stanley was not in attendance but had submitted a report.

The following committee reports were made:

Community: Councilman Dave Way reported that he is researching prices for mulch for the playground and will keep the Council apprised. The Mayor added that the Village needs to purchase new chains for the swings.

Finance: Councilman Don Champney announced that the Finance Committee would meet Monday, November 19. Payments of the warrants totaling \$80,298.18 were approved.

Legislation: Councilwoman Pam Park-Curry asked the Council

to consider the following legislation:

Resolution 2007-27 - Authorizing the Mayor and Clerk/Treasurer to enter into an agreement for the employment of the Village Engineer. Tabled for further consideration.

Resolution 2007-28 - Providing for the employment of a Director of Law. Third reading accepted, passed.

Resolution 2007-36 - Adopting the 2008 Rules of Council. Third reading accepted, passed.

Resolution 2007-37 - Authorizing the Mayor and Clerk/Treasurer to enter into contract for health insurance for MP employees. Third reading accepted, passed.

Resolution 2007-41 - Honoring Don Champney for his contributions to the Minerva Park for more than 25 years of service as a Council Member. First reading accepted.

Resolution 2007-42 - Supporting American Education Week, November 11-17, 2007 and declaring an emergency. Rules suspended, three readings waived, passed with one dissenting vote.

Ordinance 13-2007 - Establishing a prohibition of people who have been convicted of, are convicted of, who have pleaded guilty to either (1) a sexually oriented offense that is not a registration-exempt sexually oriented offense for a crime committed against a child; or (2) a child-victim oriented offense; and who have been classified as either a sexual predator or as a sexually oriented offender, as to either (1) or (2) above, from establishing a residence or occupying residential premises within one thousand five hundred (1,500) feet of any public or private school premise, licensed day care facility, pre-school, public or private park or playground, library, or public swimming pool, and declaring an emergency. Rules suspended, three readings waived, passed as an emergency.

Safety: Councilman Todd Walter reported that the new traffic

control signs have been delivered and will be installed. Street lights and prominent display of street address numbers are being discussed.

Service: Councilwoman Sharon Bierman expressed concern about the amount of trees being removed and the lack of a tree replacement policy.

Streets: Councilman Jeff Rigg thanked the Mayor for resolving the problems arising from the last pothole and repair project.

New Business: Councilman Don Champney had received a phone call from a neighbor about setting up a fund for homicide victim Justin Miller's 2-year-old daughter. There is already a fund at Fifth Third Bank accepting donations. The Mayor and the Clerk/Treasurer were congratulated on the wonderful support they received at the polls from the residents.

On behalf of the Village staff, I would like to wish everyone a Merry Christmas and Happy New Year! •
