He drove the ball into the rough, flushing out a quail. His partner mused, "That's the first time I've ever seen a partridge on a par three."

"Why don't you play golf with George anymore?"

"Would you play with someone who puts down the wrong score and moves the ball when you're not watching?"

"No."

"Neither will George."

GARDEN CLUB

Interest may be developing in reestablishing a Minerva Park Garden Club. Connie Lynch, 2785 Park Lane Drive (882-0330) called the Villager several weeks ago indicating her desire for a Club, and just this week Alison McArthur, 2571 Lakewood Drive (895-2784) showed a lot of enthusiasm for helping to get one going. Mary Yost, 2816 Lakewood Drive (882-5444) has also offered a helping hand.

We need a few more people to call in their names so that we would have enough for a first meeting. Let's talk it up!!

GOURMET COOKING & RESTAURANT CLUB

Bonnie and Bill McClure, 2916 Kerrwood (891-2248) wrote the Villager a nice note expressing interest in helping to start a Minerva Park Gourmet & Restaurant Club. Thanks, a lot, Bill.

Here's another great activity that many people do every month but which would be far more fun if we had an organized Club approach. Please call the Villager or the McClures and let's get this one going soon!

McClures also suggested a Tennis Club for Minerva Park residents. Anyone interested in joining in this effort please call the Villager or the McClures. If there is enough interest, tennis courts could be studied as a project for the Park.
When he goes golfing he always wears two pair of socks, just in case he gets a hole-in-one.

MORE TALENT

Another cartoonist in our midst. Andy Marmorstein, 2720 Wildwood Road makes these cartoons (See the Candy Factory below) while waiting for airplanes or whenever the thought strikes him. Keep it up, Andy - we love it.

Another BLOCK PARTY planned! A Maplewood Drive Party is shaping up fast - The date is set for Saturday, July 27th starting at about 5:30 PM. The committee, headed by Dick Busick, already have a "free" four piece band arranged and a "secret" singer to perform.

A flyer will be put out in plenty of time giving the rest of the details on food and drinks and location, etc. Mark the date on your calendar and plan to be there all you Maplewood Drive People!!

It's catching on. This is the second Block Party this year. Come on Jordan, Wildwood, Lakewood, Minerva Lake, Alder Vista, East Shore/Ponderosa/Kerrwood - Pick a date and have some fun. Plenty of summer left!

OOPS!

Last month in an article by Eilene Ellery, The Villager mistyped the laudits for the Installation Banquet. It should have read, "Thanks to Jan Julian and Peggy Holfinger who co-chaired the delight­ful Italian Buffet."

My apologies, Peggy.

A golfer drove an errant shot off the course and into a pig pen, killing one of the pigs. The irate farmer blasted the golfer up and down until the golfer said, "Okay, I'll replace your pig."

"You ain't fat enough!" screamed the farmer.
Let's welcome Fred and Millie Leupp back to Minerva Park. They lived here until 1979, then moved to Florida for six years. Millie was raised in Sunbury, Ohio and Fred comes from Columbus. They just arrived at 2940 Kerrwood and they feel like they are back home.

In their spare time, Fred and Millie enjoy dancing. Fred is a real do-it-yourself man and likes to bowl while Millie enjoys playing cards. Fred, right now, is home recovering from an unfortunate accident while moving in which left him with a broken knee cap and a broken arm.

Go introduce yourself to these delightful people and their adorable dog, Fritz. They are glad to be back and we are glad to have them.

 Reported by Naomi Marmorstein

Alison McArthur and Steve Laudon are married, have two darling daughters, Marne (5) and Ani (2), and live at 2571 Lakewood Drive. Alison has retained her name because of her professional occupation. She and Steve are both Counselors on alcoholism with Steve working at the Campus Adolescent Center.

The whole gang, including a big black cat (who runs the place) and a lovable cocker spaniel all came from Minneapolis, Minnesota. They love snow but they have also fallen very much in love with Minerva Park.

How 'bout this for a hobby. Both Alison and Steve are jugglers (and pretty good, too) and would be happy to perform for a Village function if we should want them to. Alison would like to help with a garden club and they both are enthusiastic cyclists.

The course I play is getting tougher—they've increased the speed of the windmill and narrowed the clown's mouth!

Amy Elizabeth Busick (18), the very talented daughter of the proud Dick and Mary Alice Busick of 2824 Maplewood Drive, has just graduated from Westerville South High School with all kinds of scholastic awards and citations. Throughout her high school career she only had one B - all the rest A's in every subject and Amy was elected finalist for the Hall of Excellence for Westerville South for 1985. She won the National Merit Scholarship and was the winner of the Ohio Academic Scholarship. Amy also won one of the ten 1985 Battelle Memorial Scholarships.

Amy is going to start college at Ohio State University pointing toward a math or science degree. But academics are not her only talent - as if that weren't enough.

Early in grade school, Amy decided she wanted to learn to play the viola and did she ever. She has excelled in this art to Principal Viola in the Columbus Symphony Youth Orchestra and was also Principal Viola in the 1985 All State Orchestra. She is actively engaged in the Jefferson Academy run by the Columbus Symphony for quartet and individual development. Through this Academy she has played functions all over Columbus. Perhaps you will see her in one.

You can bet she will be continuing her music while at college and we look forward to news about her accomplishments.

HICKS CELEBRATE 60 WONDERFUL YEARS

Ruth and Melvin Hicks, 2525 Lakewood Drive, celebrated their 60th Wedding Anniversary Sunday, June 30th with a dinner at Monaco's Palace.

Mr. Hicks, now retired, was an engineer with Ohio Bell for 44 years. The Hicks are the parents of Thomas Hicks of Columbus and Larry Hicks and Kay Thompson of Minerva Park. They have nine grandchildren and several great grandchildren.

Congratulations to you both!
**INSTALLATION BANQUET A BIG HIT**

The Women's Club 1984-85 program year ended with the Installation Banquet on May 28th at the Monte Carlo Restaurante. Besides the fine Italian Buffet, the ladies enjoyed piano music by Rich Odgers. The former MP resident played a wide variety of "goodies" (some were oldies, too) throughout the evening which culminated with installation of 1985-86 officers by Mayor "Buzz" Cockerelli.

Marge Vance is the new President. Other officers are: Peg Holfinger, Vice President; Judy Horton, Secretary; and Ginny Gordon, Treasurer.

Outgoing President Eilene Ellery announced that the Women's Club would be paying for paving of a five foot wide section of walkway on the east side of the lake to complete a bike path from the dam to Minerva Lake Road.

Banquet arrangements were made by Jan Julian and Peggy Holfinger. A good time was had by all.

**WOMEN'S CLUB LOOKS AHEAD**

Plans for the coming year's activities were begun when Women's Club officers and members met at Sharon Woods Metro Park for a Picnic on June 11th. The plans for the 4th of July were discussed and the various functions for next fall.

The September 24th Pot Luck will be a "get acquainted" meeting with members of other community organizations. All Program will be listed in the Club Directory and announced in the Villager. Enjoy your summer and join us again in the fall.

Peggy Holfinger, Vice President & Program Chairman

A golfer sliced a ball onto the highway, then hooked another into the woods, followed by a drive that landed in a lake.

"Why don't you use an old ball?" his partner asked.

"I've never had an old ball," the duffer replied.
Over the past six weeks we have expression of interest in starting a mixed golf league for Minerva Park residents. Evidently there used to be one which played at the Minerva Lake Golf Course.

Rita and David Kreuzer and Larry and Bea Sink were first to respond with Joan and Bill Lang calling the Villager about two weeks ago. Wahneta and Jim Greiner have expressed interest and Lucille and Julius Greuttner will play if we can get one started.

Unfortunately, here is what I have found, so far, with regard to a league at the MLGC. All evening league times are taken through the Labor Day season this year. In addition, unless one of the leagues drop out, it would be difficult getting a spot even for next year, at least at the Minerva Lake Golf Course. Not impossible, though! Bob Jones, Manager of MLGC says they accept leagues on a prepaid basis only (full green fees for at least half of the season ahead). We would need to have a fairly well developed membership list and plan in order to proceed.

To help develop such a plan, it is suggested that we form a fall league to begin, tee time permitting, right after Labor Day. All summer we can encourage anyone we know into getting their names on the list to play this fall. Then during that 4 to 6 week period, we can firm up a league plan for next year.

Please - Call Judy Horton (890-4322) to get your name on the list for this fall and also to suggest names of people who should be contacted. Any other ideas as to how we can proceed would be welcomed!

A golf course is a site to be holed:
WOODLEY ROAD BLOCK PARTY A SUCCESS

The Woodley Road Block Party was a huge success! About thirty five attended and ate the hamburgers, hot dogs and other delicious food.

When Kyle Himelstein, 3, was asked if he was having a good time, he eagerly replied, "Ye-e-s-s!!". Don Basler, Co-Chairman of this event, felt it was a big success. He thought that the highlight of it was the fact that new neighbors got to be part of an activity in Minerva Park and also got to meet the people who had lived there for years.

We got some pictures of the event and we will try to get them printed in the August Villager. Organize a Block Party for your street! You'll see old friends. meet new neighbors and have a great time like the Woodley Road Residents did!

CIVIC ASSOCIATION MEMBERSHIP DRIVE

The Membership Drive is nearing completion but if you haven't been contacted yet please call Trish Haaser (891-1962). If you haven't mailed in your envelop, you'll want to do it this week to be eligible for the prize drawing.

This year the prize is One Year's Free ChemLawn Service for your yard. The winner will be selected by a computer selected random number from the paid membership list. We will wait until July 15th for people to get their dues into Trish and we'll announce the winner in the August Villager.

MINERVA PARK RESIDENTS

A meeting was held at the Community Building at 8:00 PM, Monday, June 24th to review a proposal for a new shopping center development which should be of major concern to every resident of Minerva Park.

Developers are proposing to construct a new major shopping center, to include a large department store and many small stores, on the land just south of the Raintree Center. It would enter and exit from Cleveland Avenue and would add hundreds of cars to the already overloaded and narrow Cleveland Avenue. 20,000 cars/day

As residents already know, it is extremely difficult now to get in and out of our Park from Cleveland Avenue and this proposal would make it next to impossible unless changes are made in Cleveland Avenue itself.

This was the first of many meetings which will be held on this subject. We will make every effort to let residents know in advance of the next meeting so that we can have good attendance and discussion to hopefully defeat the current proposition.

WE NEED A CO-EDITOR

Two months ago we printed an appeal for people to add to the Villager staff. We were very fortunate in having Naomi Marmorstein volunteer for the photographer role and she is now, in addition, taking on some reporting functions.

We still would like to have a co-editor, experienced or someone who wants to learn, to help plan and execute each issue. The Editor also needs help with advertising and reporting in general.

Please call Dick Horton (890-4322) if you might be interested or if you know of someone I might contact.
