You Can Help Us!

MINERVA PARK CIVIC ASSOCIATION IS trying to interest you in coming to our meetings. The next one is March 11 at 7:30. As we are trying to become involved in more community interests than just the social aspects and services that we have performed in the past, we need your input and advice. If you are not happy with something concerning the Park, please plan on attending and giving us your opinions and information.

If anyone is aware of what happened to two Christmas wreaths that have disappeared from our entrances last month, please call Trish at 891-1962. All information will be kept confidential.

The annual garage sale will be held May 17. Plan on as great a day as last year!
VILLAGE COUNCIL

A resident stated that he was concerned about what the continued build up around the Village and the resulting increase in traffic was going to do to us. He was particularly upset that Council and the Civic Assoc. took opposing sides on the Meijer issue. He suggested that in the future there should be better communications between the two bodies.

Mayor Cockerell said he had received notice of an increase in water rates. He also presented his January Court statement for council approval.

Jim Fischer was appointed Street Commissioner by the mayor, approved by council.

LEGISLATION:
Ordinance 1-86- second reading - passed.
This ordinance abolishes the use auxiliary police officers' and, effective April 18, 1986, they will be either 'part time' or 'volunteers.'

Dave Roscoe reported on three new zoning requests. The first, the addition of a second sign below an existing sign on Cleveland Avenue. Council agreed to the variance provided the new sign be 15 square feet vs. the requested 20 square feet. The second was to permit the placement of a satellite antennae on a roof, which Council approved. Removed from the table for consideration was a variance for an oversized garage on Jordan Road. This variance was denied.

A zoning request to be presented later was discussed. This is to put a putt-putt golf course on the 161 property bound by Inskeep Printing, the Assembly of God Building, and Hawthorne School. A public hearing will be held on this request.

PERSONAL AD SERVICE
We've had no one interested in using the ad service. The service will continue to be offered, just follow the rules listed in the January VILLAGER.

OF INTEREST TO ALL RESIDENTS
Mayor Cockerell announced at the last Civic Assoc. meeting that numerous street signs have been torn down and stolen. This will be costly for taxpayers as the signs are expensive to replace. Anyone caught destroying or stealing signs will be prosecuted!
4th OF JULY - DO OR DIE!

Wasn't last year disappointing without the 4th of July parade and festivities? Do we want to start a tradition of no activities for our children and for ourselves? Isn't that what a community like Minerva Park is all about and why we are living here? I am well aware that volunteering is not as easy now that everyone is working outside the home. The Fourth of July Committee still does not have sufficient volunteers to offset the amount of time involved in the preparation of the parade and the activities. We're halfway there but still need you! If enough people volunteer, then not any one person will be responsible for a great deal of time and effort.

Linda Best and I are two young mothers trying to put this together but we can do just so much by ourselves.

There will be a meeting March 12th at 7:30 at the Community Building. Come on, people! Volunteer just a little bit of your time for a great day of enjoyment.

Signed, Lynn Eisentrout and the Fourth of July Comm.

NOTE FROM THE EDITOR

The purpose of the VILLAGER is to keep the residents of Minerva Park informed. If anyone has an article or news item of interest to our community, submit it to me by the deadline shown in each issue. Black and white photos of community events also will be accepted (in fact, would be greatly appreciated.) I have very little experience in publishing newspapers; so if you have ideas on things you would like to see in the VILLAGER, let me know either by writing a note or giving me a call.

There was a mistake in last month's issue of the VILLAGER. It was dated JANUARY but should have been dated FEBRUARY because it was delivered in February. The VILLAGER will be delivered the first Monday of each month. It is delivered in the ADS except for Jordan Road, Park Lane Court, and Park Lane Drive where it is delivered by attaching to doorknobs.

It is my hope that an informative newspaper will be delivered to your home each and every month.

A special 'Thank You' to Ray Beougher for his great art work. Without being asked, Ray creates several cartoons or drawings each month. It adds so much to the VILLAGER. Thanks again, Ray!

WOMEN'S CLUB
The Women's club will meet March 18th at 7:30 in the community building. The program is titled "Castles of Europe." There also will be election of officers that evening. This is one month early due to the change in the card party date.

The annual card party will be held April 29th at the community building. Save Buckeye Stamps! The committee for the party plans to use Buckeye Stamps to purchase prizes for the party. It will appreciate donations if you don't use your stamps or are willing to share with the committee. Contact Sally Basler at 891-7128 or Kathy Kelly at 891-5668 or one of the club members.
