TO THE RESIDENTS OF MINERVA PARK

Listed below are the officers and board members of the Minerva Park Civic Association. Their terms of office will run until June of 1987. These are open meetings and all members are welcome. We all look forward to a busy and fulfilling year.

DUES ARE DUE!

During the month of September, Civic Association Board Members will be visiting Minerva Park residents. We are asking all households to join the Minerva Park Civic Association. The membership fee is $7 per household. Fees collected allow the Civic Association to publish the VILLAGER, to organize caroling at Christmas time, to put on the 4th of July festivities and the Corn Roast. Lastly, and of great importance, two board members are able to represent Minerva Park to the Northland Community Council and Columbus City Council.

Board members will attempt to contact each resident; but if you are missed, a note will be left at your door or you may use the membership form below.

Please join. We need your support!

VILLAGE COUNCIL

Village council met on July 14, 1986. Mr. Champney, Ms. Wohlfarth, Mr. Murray, Mr. Earl, and Mr. Blair were present. Mayor Cockerell presided. Absent Councilman Yoakum. Also present were Chief Behrend and a few interested residents.

The mayors court statement for June was accepted as received by Mr. Champney, seconded by Mr. Earl.

Mr. Hoskinson, a resident of Lakewood, was concerned on the debris that collects at the north lake during heavy rains, asking if a grate or fence at Cleveland Ave. might help to eliminate this situation. He was told that the flow cannot be altered and having the grate would only be a temporary solution. The VILLAGER will publish a notice asking the residents to refrain from throwing logs and grass clippings into the stream.

Carl Haaser, President of the Minerva Park Swim Club, reported on the membership and financial situation of the pool. A good portion of their funds have been depleted due to the necessity of the installation of a new filtering system last season. A lengthy discussion followed with possible solutions. Mr. Champney asked for an operating statement be presented to Council, since the land is leased by the Village to the swim club for a dollar a year.

PLANNING AND ZONING
A request for temporary buildings at Hawthorne School was withdrawn because the state required that restrooms be installed and this was not included in the plans.

Ms. Conner's request for a variance was resubmitted to the Zoning and Planning Commission, and it was their recommendation to Council to grant the variance needed for the construction of a one-floor garage not to exceed 768 square feet.

The second building permit application fee is to be waived. Mr. Blair moved to accept the recommendation of the Zoning and Planning Commission, seconded by Ms. Wohlfarth.

LEGISLATIVE

The follow resolution was brought before Council for approval:
A RESOLUTION TO AMEND RESOLUTION 86-4 ANNUAL APPROPRIATION FOR THE VILLAGE OF MINERVA PARK, STATE OF OHIO, FOR THE YEAR ENDING DECEMBER 31, 1986 BY TRANSFERRING CERTAIN FUNDS WITHIN THE GENERAL FUND, AND TO DECLARE AN EMERGENCY.

Discussion followed. Mr. Champney moved, Mr. Earl seconded, to waive the rule requiring three readings of a resolution. Passed. Mr. Champney moved to adopt Resolution 86-6, seconded by Ms. Wohlfarth. Passed.

The following resolution was brought before Council for approval:
A RESOLUTION DECLARING IT NECESSARY TO LEVY A 3.5 MILL LEVY FOR A 5-YEAR PERIOD IN EXCESS OF THE TEN MILL LIMITATION, TO BE PLACED IN THE GENERAL ELECTION

A lengthy discussion followed. Mr. Champney moved to approve the first reading of RESOLUTION 86-6, seconded by Ms. Wohlfarth. Passed.

COMMUNITY
Ms. Wohlfarth stated she would like to publicly commend all the persons who worked on the success of the 4th of July celebration, especially co-chairwomen Lynn Eisentrout and Linda Best.

SAFETY
The reports were given by Councilman Murray and were approved as received. Chief Behrend and his department were commended for all the extra attention given to the problems of the Village in the last weeks.

STREETS
Mr. Blair reported that two bids had been received on street improvements; which includes Wildwood, Woodley, Westbridge, North Bay, Elmhurst, and other various intersections. Mr. Blair made the motion to accept the Engineer's recommendation to award the contract to the Bitumunus Paving System. Mr. Earl seconded the motion. Passed.

Meeting was recessed, to be continued July 22, 1986.

Present were: Mr. Champney, Mr. Murray, Mr. Yoakum, Ms. Wohlfarth, Mr. Earl, and Mr. Blair. Mayor Cockerell presided.

Also present was Dave Roscoe, Chairman of Zoning and Planning Commission.

The following resolution was brought before Council for approval:

2nd Reading

A RESOLUTION DECLARING IT NECESSARY TO LEVY A TAX IN EXCESS OF THE TEN MILL LIMITATION.

Mr. Yoakum moved, Mr. Murray seconded to adopt Resolution 86-06, second reading. Discussion followed. Motion passed.

Dave Roscoe advised that a variance was needed for a sign change at the Felcon Building, E. Granville Road and Ponderosa Drive. The plans and sign permit had been reviewed and it was the Commission's recommendation to Council to approve the request, not to exceed the 50-square foot limitation. Ms. Wohlfarth moved, Mr. Earl seconded, the motion passed.

Meeting recessed until July 29th.

All members of Council were present. Mayor Cockerell presided.

The third and final reading of Resolution 86-06 was brought before Council for approval:

A RESOLUTION DECLARING IT NECESSARY TO LEVY A TAX IN EXCESS OF THE TEN MILL LIMITATION.

Mr. Champney moved, Ms. Wohlfarth seconded to amend Resolution 86-06 to read at a rate not to exceed 2.9 mills for each one dollar valuation. Discussion followed. Motion failed on vote.

Mr. Champney moved, to amend the original motion and to have it read 3.2 mills instead of 3.5. Ms. Wohlfarth seconded motion. Discussion Followed. Motion passed.

The third and final reading of 86-06 as amended was adopted and approved by Mr. Champney, seconded by Mr. Murray. Passed.

Meeting adjourned until September 12th regular Council meeting.

WELCOME BACK...

...to the Annual Minerva Park Fourth of July Parade. Wasn't it nice to have our very own parade winding through Village streets on Fourth of July morning? Thanks to all who assisted in bringing back this special event but particularly to chairpersons, Lynn Eisentrout and Linda Best. They were given able support by the following people: Kathy Rosati, Bob Pitts, Kathy Moore, Brenda Vest, Nancy Fischer, Betty Beatrice, Jim Martin, Alice and Dave Thompson, Mari and Andy Zagrzezewski, Ken and Bev Volen, and David Eisentrout.

HOW DOES YOUR GARDEN GROW?

Just fine thanks....due to the efforts of several residents the flowers at the entrance to Maplewood and Minerva Lake Road (Mary Yost and Dick Busick planted in the spring) survived the long, dry summer. The 'watering committee' was composed of Judy Horton, Shirley Jones, Peg Van Scyoc, Sarah Miller, Alison McArthur, Marge Vance, Rodie Graves, Ramona Wilkie, Elaine Fulkerson, Betty Schwarzbach, Brent Mackey, Connie Lynch, Mary Alice Busick, Lynne Roscoe, Barb Wohlfarth, Dick Busick, and Mary Yost. Each was responsible for one week and very few were assisted by the weather. Thanks to all and especially to the Hetzels and the Herboltzheims who allowed us to fill our buckets at their water taps.

On behalf of Mayor Cockerell, Village council, and residents; we sincerely appreciate the efforts of all these folks. Volunteerism takes time out of our busy lives but means so much to our "little corner of the world." When Civic Assoc., Women's Club, or a special interest group asks your help, won't you find a little time in your schedule? It really contributes to Keeping Minerva Park the special community we have always enjoyed and want to continue to be.

ST. ANNES HOSPITAL TO EXPAND EMERGENCY DEPARTMENT FACILITIES

From the moment St. Ann's opened its doors to the public in Westerville on July 17, 1984, the need for services it offers has been steadily increasing. Many departments within the hospital have exceeded the projections for number of people seen or treated in that area in a year. One of these areas is the emergency department.

The emergency expansion will add about 3,500 square feet, most of which will be for an emergency-treatment area.

The addition will include a dedicated trauma room for use in treating extremely critical patients, two cardiac trauma rooms, six treatment bays, or rooms, and two cast rooms. The existing emergency department will be converted to an urgent-care area for minor illnesses or injuries. This area will also provide a separate triage area, expanded waiting area, expanded admitting and cashier area, a family conference room and a vending room.

Project completion is expected in March 1987.

Special thanks to the following merchants who donated food (at cost or a good price) for the Corn Roast: Carfagna's, Renzetti's, Kroger's, and Minerva Market.

As you can see, a great number of area businesses donated items for the auction. We wish to thank those businesses for their donations. We also wish to thank all those people who donated time and 'muscle power' to make the Corn Roast and Auction a success. It was a great way to start the campaign to 'Save the Pool'. Money problems to operate the pool still exist. Memberships are the key to keeping the pool open. We urge everyone now belonging to the pool to continue their membership next year AND to encourage neighbors and friends to join also. Everyone wants to keep the pool open. Remember - increased membership is the key!
