LETTER FROM THE PRESIDENT

At the October meeting of the Civic Association several presentations were given concerning issues of interest to the park. Dr. Husarik, Superintendent of Westerville Schools, gave a brief presentation on Issue 29. The new Village detective, Terry Adair, talked with us concerning break-ins here in the park and covered some ways to protect our homes and belongings. Last on the night's agenda was Mayor Cockerell who addressed the 3.2 tax levy which will be on the November 4th ballot. It was a very informative evening and attended by 35 to 40 residents. At that meeting The Civic Assoc. voted to endorse both issues that will be on the Nov. 4th ballot. The Minerva Park Civic Assoc. endorses Issue 29. The Civic Assoc. unanimously endorses passage of the 3.2 mill levy for Minerva Park.

Whichever way you vote on these issues and the candidates, we urge all residents eligible to vote to go and vote on November 4th.

At future meetings of the Civic Assoc. we may be voting on other issues of importance to the park, i.e. zoning. If at all possible, these meetings will be published in advance. Some months there may not be time to give advanced notice. If you are concerned about the future of the park, come to a Civic Assoc. meeting. Our next meeting is Nov. 11. These are not closed meetings. All members are welcome! See you there.

Help Us Grow
To Meet Your Needs!

With passage of Building Bond Issue 29 on November 4, Westerville Schools could begin implementation of the organization approved by our Board of Education: kindergarten through fifth grade in elementary school, Grades 6-8 in middle school, Grades 9-12 in high school.
FOR SCHOOL ISSUES

Residents in seven Franklin County suburbs will decide 11 school money issues on Nov. 4. The DISPATCH has examined the need for the levies and bond issues that will be on the ballot and finds all these money issues necessary if schools in these communities are to continue to provide quality education. Therefore the DISPATCH urges approval of all the following issues:

Westerville school district residents will decide on a $37 million bond issue. Approval would provide money for two new elementary schools and a middle school, renovation and classroom additions to several schools and increased space for support services. The district is using 11 leased portable classrooms as temporary solutions to crowding. A tax for school construction has not been approved since 1973. Passage of this issue would increase the property tax bill by $144 a year for the owner of an $80,000 home.

Voters in these communities could save themselves a few dollars by voting down these issues. But they would do so at the expense of school-age children and their vital educational needs. And in a community where schools start going downhill, property values drop too. We urge approval of all the school issues on the suburban ballots as a vote of confidence in our children and their futures.

What are these people doing? They're dancing, of course. Every Friday afternoon they meet at the Community Building and dance. This is the same group that used to meet at Blendon Township Senior Center. If you would like to join this group, stop by the Community Building any Friday afternoon at 2:30.

Guest pianist, Michael Haberkorn, will be featured playing Gershwin's Rhapsody in Blue at the opening concert of the Westerville Civic Symphony. The concert is scheduled for Saturday, November 8 at 8:15 p.m. at Cowan Hall.

This concert begins the fourth season of the WCS with an orchestra that Kenneth Kleszynski, music director, describes as having "grown and is better than ever." Dr. Kleszynski is beginning his third year as conductor and has programmed for the evening Haydn's Symphony No. 104, the "London," Vaughan Williams' Rhosymedre, and Sibelius' Finlandia.

Season tickets are available at the symphony office, P.O. Box 478 for $12.50 adults, $8 senior citizens, and $2.50 under 18. The subscription series includes additional concerts on February 22 and May 16. Tickets are also available at the door or by calling 895-1102.
THIS MONTH'S WC LUNCHEON

The Out to Lunch Bunch will be eating out on November 6th. They will be eating at Fawcett Center for Tomorrow on Olentangy River Road. Everyone is to meet at the Community Building at 12:30 for car pooling. Lunch prices range from $4 to $6. Tables will be available to play bridge after lunch for those who wish to stay. Reservations for lunch and bridge can be made with Pauline Wilkinson, 882-7052 until the morning of the 5th.

Contrary to popular belief, dogs do not sweat by salivating. They sweat through the pads of their feet.

The venom of the king cobra is so deadly that one gram of it will kill 150 people. Just to handle the substance can put one in a coma.

Of all known forms of animal life ever to inhabit the earth, only about 10 per cent still exist today.

Male monkeys lose the hair of their heads in the same way men do.

A completely blind chameleon will still take on the colors of its environment.

A pig is a hog - hog is a generic name for all swine - but a hog is not a pig. In the terminology of hog raising, a pig is a baby hog less than ten weeks old.
