August Calendar

August 4th - Northland Community Council at 7:30
11th - Civic Association at 7:30
14th - Teen Sip 'n Dip 8-11 p.m.
15th - Corn Roast. Rain date is the 16th.
28th - Adult Sip 'n Dip 9 - midnight

Election of officers for the civic association has been postponed and will be held at our September meeting. If you have thought about becoming involved in community events, please come. We'd love to have you.

Editor's Note - I wish to thank a number of people who worked on the 4th of July events. Thank you to:
* Nancy Fischer who organized the teen sip 'n dip on July 4th and who also judged the bikes and wagons for the parade.
* The 4th of July Committee - Lynn Eisentrount, Linda Best, Cathy Moore and Kathy Rosati. Casey King attended planning meetings and drew up the flyer. Margo Washburn helped by sending letters to recruit parade participants. Without them the parade wouldn't have taken place.
* Dick Busick, Dave Blair, John Kinkela, and Jim Davis for setting up chairs for the concert. Thank you to Jim Martin for providing the sound system and the pool board for providing the refreshments.
* To the life guards and the Zagrzejelewski's for organizing the pool games. Everyone looked like they had a good time.
* And to the neighbors who made the necessary arrangements for the Cobra helicopters. As one six-year-old said, "They were so neat!"

To all of the above, and to anyone I may have forgotten, thank you for a nice 4th of July.
All the bikes were decorated so beautifully for the parade - it was difficult to judge. All were ribbon winners.

Miss Minerva Park - Jodi Thompson
Jodi is a sophomore at Westerville South where she is a cheerleader on the junior varsity squad.

Junior Miss Minerva Park - Amy Early-Merz
Amy will be in 3rd grade at Hawthorne. She plays soccer and is also interested in cheer leading and swimming.

Little Miss Minerva Park - Mandy McIntyre
Mandy will be in 2nd grade at Hawthorne. She is interested in swimming, diving, gymnastics, and cheer leading.
MINERVA PARK CIVIC ASSOCIATION

Activities Questionnaire

Your civic association wants to get a response from our residents concerning the role you would like the civic association to fill. Take a few minutes to read the questions - then fill it out and return to the VILLAGER.

The civic association sponsors the annual garage sale and caroling at Christmas. It was one of the sponsors of the lake clean up and contributed to the 4th of July events. A free concert series was organized for a summer event. How would you like to see these events handled in the future? (cancelled, changed, expanded, etc.)

Are there any other events that the civic association could sponsor?

Would you come to civic association meetings if there were speakers? What subjects would you be interested in?

Are you opposed to the civic association taking political stands? (i.e. tax levy on schools or for the village)

Do you have time to give to our community or is all your time consumed by job(s), caring for children and home, school and church activities?

The civic association pays for the printing of the VILLAGER. Should this be continued? How can the VILLAGER be improved?

We would hope that you would take the time to think about the above question. As we start off a new year with new officers and board members, we need to know if the civic association is still needed in our community and what direction it should take.

Any additional comments:

Please return to the VILLAGER, 3201 Minerva Lake Road, Columbus 43229
WANTED

MINERVA PARK VILLAGE COUNCIL

All members present except Mr. Yoakum.

Minutes of the last meeting were approved.

There was a request by Ray Beougher to have the fire and police reports for the village published in the VILLAGER. The Law Director will discuss this with the Safety Chairman, Larry Yoakum, to see if this is possible.

COMMUNITY REPORTS

Community - Ms. Wohlfarth reported that there is still a problem with the water in the creek due to run off and rain, and the problem is still being looked at. Someone on Ponderosa Drive called to say that their household water was discolored and had an odor to it. This will be looked into. Ms. Wohlfarth wished to thank the 4th of July Committee who worked so hard to organize the parade - Lynn Eisentrout, Linda Best, Kathy Rosati, Cathy Moore, and Casey King.

Streets - Bids to seal streets have been received on Lakewood Road and Court, Maplewood, Alder Vista, Briar Rose, Jordan Road, and Minerva Lake Road West. Some spots have to be patched before the seal is put on. Not all streets may be done, depending on funds available. Wildwood and West Bridge will be looked at. There are bumps where water breaks were fixed. The City of Columbus will be contacted to get this work done.

Service - Spraying for mosquitos was done on June 17th. It will be done again, but date unknown. There was a water break on Alder Vista in June and was finally fixed (broke twice times in the same spot).

Safety - Squad runs for June totaled 138, 5 runs in the park (2 of which were fire runs). Of all the runs for the year 6.5% were in the park, 30.6% were in the township, 34.6% were in Westerville, and 28% were in Columbus. The police report for June showed no major crime.

Finance - The bills were approved for payment. The Tax Budget for 1988 (Resolution 87-8) needs to be submitted before 7-20-87. The required three readings of a resolution was waived. Resolution 87-9 to amend Res. 87-01 was presented to transfer certain funds in the general fund to other funds. The required three readings was waived. The resolution passed.

Legislative - an ordinance was presented on 6-8-87 regarding yard sales. It was presented for a second reading tonight. Residents will be allowed three(3) garage sales per year with each sale lasting up to two(2) days. A $1 permit would be required. The Civic Association annual garage sale would be exempted. The third and final reading of the ordinance will be in September. A resolution will be passed at the September meeting naming Joe Marcum to be the electrical inspector; and Bob Pitts the plumbing inspector.

Planning and Zoning Commission

A sign permit was submitted by Flowers Unlimited for a wall sign which would require a variance. The commission recommended passage. Passed. Variance granted. Another sign application was submitted by Joe Anderson for the shopping center on Cleveland Avenue. It would require a variance to cover size, height, and set back. Variance passed depending on Mr. Anderson submitting a revised drawing and meeting conditions stated in a letter dated July 12th addressed to him.

With no further business to discuss, the meeting was adjourned.
