July Calendar

5th - Northland Community Council at 7:00
9th - Re-cycle Day, 9 to 3

COMMUNITY CORNER

** Peace Community Church meeting in Hawthorne School will be having their services in June, July, August at the Sharon Woods Nature Barn (across from St. Ann’s Hosp.) This is a temporary move due to asbestos removal from the school. Worship at 10:30. Pastor Steve Dennis 391-5657.

** Beginning the week of June 15th our trash pick up will be on Wednesdays.

** Congratulations to Ray Beougher for winning a first place in watercolor in the Annual Spring Art Show of the Westerville Art League.

** Thank you to all our garage sale participants. We had fewer garage sales than last year but made almost the same amount of money. Approximately $1450 was added to the Civic’s treasury. Thank you all very much.
NOBODY OF IMPORTANCE GOT EATEN BY THE HUGE CATFISH THIS YEAR. ABOUT HALF A DOZEN WORKERS DISAPPEARED, BUT WE WON'T GIVE THEIR NAMES SINCE YOU WOULDN'T KNOW THEM ANYWAY.

TO ALL OF YOU WHO HELPPED CLEAN UP THE LAKE AREA, YOU DID A NICE JOB

YOU'LL FIND NAMES OF THE WORKERS AND THE WHOLE STORY IN ANOTHER PART OF THE PAPER

SURE I CAN TEACH YOU TO SWIM – THE ONLY PROBLEM IS HOW TO GET YOU OUT OF THE POOL AFTERWARDS

WE SOLD A BUNCH OF STUFF IN THE GARAGE SALE, BUT NOW THAT IT'S OVER, SEEMS LIKE THERE'S MORE LEFT THAN WE STARTED OUT WITH!

FOR OUR 4TH OF JULY CELEBRATION THIS YEAR, MARY SPECK WILL READ THE DECLARATION OF INDEPENDENCE, AND A BOY SCOUT WILL FIRE THREE ROUNDS FROM AN AIR RIFLE!

FUN FOR THE WHOLE FAMILY

THANK YOU

... to the many residents who turned out, rakes in hand, to assist in our annual Spring Clean-up.
... to the members of the Minerva Park Women’s Club for the delicious lunch.
... to the Civic Association for their support and coordination of the event.
... to Harry Toy and Jim Fischer for the advance work in removing dead shrubs on the island adjacent to the golf course and the ones providing visual obstruction at Woodley and Cleveland.
... to Glen Calvert, Tim Curry, Dave Blair, and Ken Wohlfarth for providing the trucks for hauling.
... to Karl Garrabrant, Minerva Park Fire Dept. for his assistance.
... to Tom McElvanahan and son, Jay. Tom is also a Fire Dept. member as well as Minerva Park resident.
... to Villager artist Ray Beougher for his wonderful advance artwork publicizing the event.
... to Irm Shubert, Director Franklin County Litter Control, for support and materials including the trash bags.
... to the following hardworking, tireless people who made the Park a little brighter:

Robert Stuart, Peggy Dluskey, Jim and Margo Washburn,
Craig Buckinham, John Kinkela, Jean and Dave Blair, Jesse Turner, Betty Beatrice, Kathy Rosati, Dave and Lynn Eisentrout, Elaine Fulkerson, Fran and Harry Schoenfeld,
Bruce Kelly, Bob Earl, Alma Miller, Peggy Yoakam, Andy Maslowsky, Joyce Rathburn, Rolla Wagner, Tim Curry, Judy Horton, Jim Delfino, Dick and Mary Alice Busick, Phil Linden.
Children participating: Jeff and Patty Washburn, Sarah and Claire Eisentrout, Bob Stuart, Bob Kinkela, Eddie Beatrice, Tony Rosati, and Joshua Buckingham (age 1, accompanied by mom, Leanne.)

As an "Ongoing Clean-up" we are encouraging all residents to sweep and clean the curbside in front of their homes. Ravine residents are cautioned against throwing debris, including leaves and grass into the ravine. This is a major part of our lake contamination and also a violation of the anti-litter ordinance. The national campaign slogan for April was KEEP AMERICA BEAUTIFUL. Let’s KEEP MINERVA PARK BEAUTIFUL.

MINERVA PARK VILLAGE COUNCIL

May 9, 1988

The regular monthly meeting of council was called to order by Mayor Dave Blair. All members present. The minutes of last month’s meeting were accepted. The Mayor’s statement for April was accepted.

Council Committee Reports

Community - Barb Wohlfarth wished to thank all the 45 volunteers who worked on Clean-up Day. 26 loads of wood was hauled away and burned. She is recontacting the tree company regarding the tree cut behind Maplewood to get update. She congratulated Ray Beougher who won a first place at the Westerville Art League Show and a blue ribbon at the Golden Age Hobby Show. Jim Fischer was concerned about the property line of the Village in the wooded area for the next clean-up. This will be resolved before the next one is planned for the fall.

Streets - Don Champney welcomed back Lee Rupp back after his recent illness. Lee reported that on the streets to be Slurry Sealed this year - Alder Vista, Briar Rose, Minerva Lake Road, and Minerva Park North. The pot holes at the pool will be filled in and thought was given to closing off the pool parking lot after pool hours.

Service - HB704 has been passed and signed. Money will be available in January 1989. Minerva Park has been attending MORPC meetings and working on a five year plan to repair our water lines. Our planning committee consisting of Jack Murray, Claude White, Mel Saville, and Mayor Blair will meet with Lee Rupp to review our plan with him. Following that the plan will be submitted to the committee which will decide who and when money from Issue 2 will be spent. It is hoped that our cost of the 5 year waterline repair will be only 10%.

Finance - Payment of the bills was approved including the Village’s annual insurance premiums of $12,647.

Safety - Larry Yoakam presented the police and fire reports. There have been 5 applications for fire chief. The Mayor will appoint the new fire chief with council approving his selection. The Safety Committee will review the applications.

Legislative - Ordinance 4-88 amending an ordinance of 1961 regarding Business Districts/Commercial Development Plans and Standards was approved by council.

Zoning - Another meeting is planned for May 18th for Mr. Singh to submit new drawings on his proposal for Jordan Road and Cleveland Avenue.

With no more business to come before council the meeting was adjourned.

EXTRA VILLAGERS

If you do not receive a copy of the Villager or know of someone who doesn’t get one, copies will now be available at the community building. We do not have a great deal of extra Villagers each month, but there will be some extra available each month. They will be put outside the village office door downstairs.
Recycling - is it for you?

Recycling has become front page news. Not just in Columbus where a curbside pilot program is a hotly debated issue, but nationwide, garbage is newsworthy. There are more than 250 bills in at least 35 state legislatures dealing with the waste stream. We are the most consumptive society in the world, and our materialism and wastefulness threatens to bury us. Recycling is being promoted as THE solution to increasing volumes of solid waste.

Several concerned residents are beginning a recycling program for the park. The collection dates will be June 11th, July 9th, and August 13th from 9 am to 3 pm. It's simple. Drive to the parking lot of the Minerva Park Pool and someone will take your materials. Because it's a pilot program we're starting off small, but we hope to grow. We will accept the following materials -

- Newspaper - place flat in grocery bags.
- Tin Cans - These are typically food cans. Rinse clean. Remove paper labels. Remove both ends and flatten.
- Aluminum cans - cans, foil, TV dinner trays, pie pans are accepted. Rinse clean.

We will be working with the Northend which is a not-for-profit corporation that operates recycling drives throughout Franklin County.

If you are interested in this program and would be willing to volunteer 2 hours a month, please call Peggy Holfinger 895-8288 or Betty Beatrice 899-9246.

The Out-to-Lunch Bunch is planning a picnic lunch at Blendon Woods on Thursday, June 9th. Lunch will be at 11:30 and will be catered. Bring your own table service and drinks. Call Pauline Wilkinson 882-7052 today to reserve your lunch.
First of all let me introduce myself. My full name is Minervaflora Park but my friends all call me Flora. Watch for me each month for I'll be bringing you the latest in garden news.

Entries are due now for the Minervaflora yard judgings. If you've misplaced your entry blank you can call Sarah Miller 882-5853 for info and sign up. As I ride around I see lots of beautiful yards and hope I'll be invited to admire them at close range.

Looking for new ideas for your yard? Attend the free Columbus Open Yards Program. The following Minerva Park yards will be open during the next tour on June 19th; Lynch 2785 Park Lane, Jones 5073 Maplewood, Yost 2816 Lakewood. I hope to see some of you there and at the other Columbus yards for details see the Sunday Dispatch on that date.

On June 7 there will be a hearing before the Minerva Park Planning and Zoning Commission on the property immediately south of Rt.161 on the west side of Westerville Rd. Within the past year this property was zoned by the Village to restricted office warehouse with requirements for extensive screening along the southern property line which is just north of the houses on the north side of Minerva Lake Rd. within Blendon Township. The Hendry Corporation (Texas) has proposed using the site for office warehouse and "personal storage" which was not permitted in the original zoning. Extensive efforts have been made to make this application attractive to the adjacent residents.

Prior to the hearing MPCA will meet with the effected homeowners and describe the details of this proposal so that they may make their input at the zoning hearing on June 7. This proposal will then be heard by Village Council at their regular July 11 meeting.
