MPCA Highlights

Our community association is looking forward to the spring weather and getting ready for fun with the children's activities. There will be a walk-a-thon in April to help raise money for the scholarship fund (look for the inserted form). Our next meeting is on March 16th, at 7:30 p.m.

The Nancy Fischer Memorial Scholarship

Applications are now available! To get one, please contact Betty Beatrice at 3201 Minerva Lake Road (899-9246), or at the Community Building on Monday, Wednesday, or Friday from 9 a.m until noon (882-5742). All applications must be completed and returned to Betty by May 15th. Two scholarships of $250 each will be awarded. Last year we had few applications — please don't hesitate to apply this year! Qualifications are as follows:
1) Residents of Minerva Park only!
2) You must have applied to a vocational school or for a 2 or 4 year degree at a college or university.
3) You may apply even if you applied last year, but were not selected.
4) You must be a graduating high school senior or in any year at a college or technical school.
The Fischer Family will help to determine the winners. The announcement will be made in July's VILLAGER.

Garage Sale

Spring is almost here, which means it is time for our annual garage sale. The sale is one of the largest in Columbus and is scheduled to be held on May 7th. Look for more information about this event in the April VILLAGER. Volunteers are needed on each street in the Village to pass out For Sale signs prior to the sale and to collect money afterwards. If you are interested, please contact Betty Beatrice at 899-9246.

Lake Clean-Up

Spring also means that it is time for our annual "Lake Clean-Up Day". This event is scheduled for April 23rd from 8:30 a.m. until 4 p.m. with a rain date of April 30th. A provided lunch will be served at noon. All residents of the village (young and old) are encouraged to come to this event. It is a fun way to meet your neighbors, but remember to wear your old cloths. See you there!

Egg Hunt

The MPCA Children's Committee's annual Easter Egg Hunt will be held on Saturday March 26th at Hawthorne Elementary School's front lawn. This event is for children ages 0 to grade 5, and it starts at 11 a.m.

Children's Committee

Come one, come all, and help fill the eggs for the egg hunt. Day: Monday, March 14th at 7 p.m.
Place: 2699 Maplewood Dr.
Info: Call 794-3845

(MPCA Highlights are continued on page 6)

17 THE VILLAGER Deadline, 5 p.m.
26 Egg Hunt, 11 a.m.
27 Palm Sunday
27 Passover
27 Full Moon
Village Council Meeting (Jan. 10, 1994)

General Topics
The meeting was called to order at 8 p.m. by Mayor Murray. Numerous residents were in attendance. New council members Dave Stahr, Mike Riggins, and Bob Landy were sworn in by Mayor Murray.

Mike Riggins made a motion to meet in executive session to discuss a personnel matter, it was seconded by Pam Park-Curry and all approved. Council reconvened and Dave Stahr nominated Lynn Eisentrout to be Council President, seconded by Pam Park-Curry. Bob Landy nominated Paul Hastings to be Council President, seconded by Mike Riggins. Council voted by written ballot and Lynn Eisentrout was elected Council President with four votes. Paul Hastings received two votes.

The minutes of the December 13, 1993 regular meeting and the December 21, 1993 special meeting were accepted as written.

Shawn Meadows of Rumpke and Isaac Turner of B & D Hauling were on hand to discuss the bids on the upcoming trash contract and to answer council's questions.

Mayor Murray highlighted communications he had received. The Ohio State Senate has passed a new ethics bill. Included in it is a decision that village officials do not have to file a disclosure statement. The Ohio General Assembly is revising the Sunshine Law.

Mayor's Court at its last session reviewed 8 cases as compared to 50-60 at this time last year. The difference is that the Minerva Park Police will be in the Park on patrol and not writing traffic tickets on 161, 3-C, or Cleveland Avenue.

Craig Buckingham reported for the Minerva Park Swim Club that their ending balance for 12/31/93 was $3953, but still have outstanding income and bills. He predicts that the pool will either be plus or minus $850 when everything is complete.

Committee Reports
Streets - Lee Rupp reported that the Franklin County Engineers have been out to look at the water problems at Fletcher's (east end of Minerva Lake Road) and will work to correct the problem. Council discussed Village easements that are used by residents for driveways. The Village does not maintain them.

Service - Pam Park-Curry talked about the large number of calls that she has received because of trash pick-up. The company will continue to dump all trash and recyclables together and separate at their terminal. There is no need to separate the trash as long as B & D is the hauler. There has also been a large number of water breaks so far this year. It was noted that the City of Columbus has been prompt with the repair service to these breaks. The Village is currently applying with Ohio Public Works to replace more of our waterlines.

Finance - Bob Landy made a motion for approval to pay the bills with the exception of the bill on the pool bonds opinion, seconded by Mike Riggins. All approved.

Safety - Mike Riggins asked about the number of false alarms and if the new alarm ordinance has been implemented. The Police Chief will check on it. The break-in on Ponderosa is still being investigated. The EMS is almost converted to Columbus dispatching.

Legislation - Mayor Murray read Resolution 94-1, a resolution to appoint two members of Council, Village of Minerva Park, State of Ohio, to the Westerville, Minerva Park, Blendon Township Hospital District for the year ending December 31, 1994. Lynn Eisentrout made a motion to waive the required three readings, seconded by Bob Landy. All approved. Mike Riggins made a motion for passage of Resolution 94-1, seconded by Bob Landy. All approved. Paul Hastings and Pam Park-Curry were elected to the District Board.

Mayor Murray read Resolution 94-2, a resolution honoring Bob Earl for his years of service on Village Council. Mike Riggins made a motion for passage of Resolution 94-2, seconded by Pam Park-Curry. All approved.

Planning and Zoning Commission
Council considered a variance request for a fence for Robert Bergman, 2573 Woodley Road. It needs a variance because it will extend in front of the rear building line. Paul Hastings made a motion to approve the variance, seconded by Bob Landy. All approved.

Bill Bates, Blendon Township Trustee, came to Council to assure the Village that the Township will continue to provide snow plowing for the Village. The last snow storms were particularly difficult because of truck problem. They will do their best in the future.

Meeting was adjourned at 10:50 p.m.
Special Council Meeting (Jan. 15, 1994)

A special meeting was called to order by Mayor Murray to discuss the trash contract and pass resolution 94-3.

After discussion of the contract was finished, Mayor Murray read Resolution 94-3, a resolution authorizing the Mayor and Clerk Treasurer, Village of Minerva Park, to enter into a contract for the collection and removal of rubbish, trash, recyclables, and garbage from the residences of the Village of Minerva Park and to declare an emergency.

Lynn Eisentrout made a motion that the required three readings be waived, seconded by Paul Hastings. All approved. Lynn Eisentrout made a motion to approve Resolution 94-3, seconded by Paul Hastings. All approved.

MP Records Commission Meeting (Jan. 10, 1994)

The Minerva Park Records Commission met with guest speaker, Tom Burke. Mr. Burke is with the Auditor of State and will be the person to review our schedule of retention at the Auditor’s Office. He gave an overview of what records to keep and a sample of how to write a schedule of retention.

News From The Village Council

Service Committee Chairman
Contributed by Mike Riggins (794-9322 Ext 233)

The Village recently entered into a one year contract with B&D Hauling for our trash pick up. B&D Hauling has been serving the Village for some time now. I want to let you know some of the provisions contained in the contract:

- Trash containers shall not exceed the 32 gallon size.
- No container shall weigh more than 50 pounds.
- There shall be no more than 4 trash containers plus 6 secured plastic bags per household per week.
- Large items may be picked up by B&D Hauling with prior notice by the resident requesting this service. A reasonable charge may apply. The phone number for B&D Hauling is 444-1968.
- No hazardous waste shall be placed within the trash. No hazardous waste will be picked up by B&D Hauling (ie; liquid paint, oil, propane tanks etc).
- Yard waste must be bagged or bundled and must not be in excess of 48 inches in length.
- Newspapers and magazines are to be tied in bundles or placed in the trash container.
- Trash containers and secured plastic bags are to be placed at the curb on collection day.
- Paper sacks, oil drums and barrels are not to be used as trash containers.

In addition to the above information, I want to let you know that our contract holds B&D Hauling responsible for any spills and/or debris which may fall from their vehicles.

Also, B&D Hauling has started a new recycling program located at their facility. Through the use of their new process, it is no longer necessary for you to separate your recyclable items from the rest of your trash — this is now done by B&D Hauling at their facility. Therefore, the use of the green tub is no longer necessary.

I hope the above information is useful to you. If you have any comments or questions about this or any other Village matter, feel free to give me a call.
Flora Says — Next month brings "Lake Clean Up" on April 23. Many of our new residents may not know what Lake Clean Up means, so I thought I'd share some information and impressions on that important day. The activities begin at 8:30 a.m. when neighbors gather at the Community Building for coffee and donuts. People dress in old clothes and bring their own rakes and work gloves. Children are welcome at Lake Clean Up, and they seem to enjoy getting dirty. Of course, parents will have to keep an eye on them, as the mud around the lake is very slippery. After enough people have gathered, work groups are formed and assignments are given out by the Council Member in charge — Lynn Eisentrout this year.

Most of the work groups concentrate on picking up debris and tree branches that have gathered around the edges of the lake. In preparation for Lake Clean Up, the Mayor has already seen to lowering the water level in the lake. There are lots of aluminum cans, bottles, and other things around the edges of the lake that need to be removed. Sometimes whole trees have fallen into the lake and have to be cut up. The sound of chain saws soon fills the air. MinervaFlora Committee volunteers busy themselves with cleaning up and planting flower beds at the Community Building and elsewhere in the park. Dead plants are removed, mulch is put down, and the Village begins to come back to life after a long and hard winter.

Trash sacks and tree limbs are loaded into a large dumpster in the parking lot. As the morning progresses, the dumpster fills up, and often a second or even a third dumpster may have to be ordered. The edge of the lake begins to look clean again. By noon, most of the work crews have finished and return to the Community Building. A hot lunch, prepared by volunteers from the Minerva Park Community Association, awaits the hungry workers. Families sit down together and talk over the morning's activities with some of the new friends they have met or with some of their neighbors they have known for years. Most will agree that they had a good time, and wonder why it is that the Village doesn't do this more often. This year a special treat will be provided. The MinervaFlora Committee will supply each family who attends Lake Clean Up with a few pansies to take home and plant in their own yards.

Anthropologists tell us that rituals are important to hold a community together. Lake Clean Up day is one of those rituals — it shows we care about our community and want to do our share in maintaining it. Please join your neighbors on April 23. If you have questions, please call Lynn Eisentrout at 891-0895.

THE VILLAGER STAFF
Co-Editor: Greg Roeble 890-5137
Co-Editor & Chairperson: Chris Cameron 898-7863
Volunteer Contributors:
Mary Yost Ray Beougher Todd Woods

Please observe the CALENDAR DEADLINE to submit community news and activities, articles and/or advertisements. Drop in THE VILLAGER box or mail to:
THE VILLAGER

Minerva Park, OH 43231

ADVERTISING POLICY
AD: $10 per issue. MUST BE PREPAID. Business card size (3.5" X 2.5"). Cost of larger ads will increase proportionately. Submit camera-ready copy. Make checks payable to the:
MINERVIA PARK COMMUNITY ASSOCIATION

THE VILLAGER reserves the right to refuse publication of any item submitted. All items presented for publication must include the contributor's name and telephone number. Anonymous material will not be published.

Letter to the Editor (January, 1994)
To the Villager Editors,

How fortunate we are to live in Minerva Park these many years and still have such caring and thoughtful friends and neighbors. During this snow emergency, David and Tillie Zak, Phil Linden, and the Presson family came in to clear our driveway, plus others calling to check by phone occasionally. For a couple 80 year oldies, we are truly blessed.

Sincerely yours,

Velma Graves, R.N.
Pool News
Written/Submitted by Minerva Pool Board Members

A special Pool Board Member meeting was held on February 13, 1994 to discuss the pool's history and options available to maintain and operate it for the 1994 season. The meeting was attended by many interested residents and we thank them for their time and support. Many volunteers are needed to help with phone calls, flyers, door-to-door presentations, and fund-raisers. We are also asking that community volunteers help us prepare the pool for the May opening.

Our first fund-raiser will be a community spaghetti dinner. Watch for a resident to come to your door selling advance sale tickets. Details will be available at a later date. Please support your pool by attending this fund-raising function or by making a donation. Carry-out will be available.

Please help either through tax-deductible donations, by volunteering, or by sending in your pool memberships early (please use inserted application form).

If you have any questions or comments, please contact one of the following Pool Board members: Craig Buckingham, Wally Himelstein, John Liebold, Jill McIntyre, Randy Ryan, Tom Shannon, Scott Waite, or Jeri Wunderle.

School News
Marna Laudon, an 8th grader at Heritage Middle School was selected as a winner of a National Science Merit Award. The recipients were chosen on the following criteria: leadership, citizenship, science skills, and an overall aptitude for science. Marna resides with her family on Lakewood Drive.

Hank Mylander, an 8th grader at Heritage Middle School won the school level competition of the National Geography Bee on January 12, 1994. The school level Bee is open to all 6th - 8th graders, who are asked oral geography questions. This is the second year in a row that Hank has won the competition. Hank resides with his family on Alder Vista Drive.

Congratulations to both Marna and Hank for jobs well done. Keep up the good work!

Minerva Park
Squad Report

In January, the squad made 189 runs; 28 runs into Blendon Township (exclusive of Minerva Park) and 9 runs into Minerva Park. Some additional Minerva Park runs were taken by Columbus EMS vehicles due to some database problems associated with the squad’s conversion to Columbus Fire dispatching. The problems have since been corrected. 67 patients were transported to local hospitals.

Members volunteered a total of 1836 hours for the month. Special thanks to five members who volunteered over 100 hours for the month: John Owens (150), Barry Brownstein (104), Mike DeCirota (103), Ken Muth (101), and Aaron Renner (100). Members also served over a 24 hour period without water or rest room facilities after a water pipe burst in the station due to unusually cold temperatures.

The conversion to Columbus Fire dispatching occurred as planned on January 6th. Other than some minor database problems at Ameritech and Columbus Fire, the conversion has gone well. For a time, some calls were still going to Westerville, while other Minerva Park addresses were accidentally shown as being in the City of Columbus. All three departments cooperated fully and all resident 9-1-1 calls were handled promptly in all cases.

The subject of the January training meeting was geriatric emergencies, and the February meeting was the annual CPR recertification for all members.

Mayor’s Corner
Contributed by Jack Murray

Brrrrr — My father used to tell me about the cold winters when he was a boy and how he walked to school in below zero weather through three feet of snow. He often said, "ew don't have winters like we used to". I wonder what he would think of this one.

The severely cold temperatures we’ve had have created some unpleasant situations, not the least of which has been the ruptures of our water supply lines; twelve at last count. These breaks have usually meant that someone’s water is turned off from two to six hours. A supervisor at the Columbus Water Division told me that it isn’t practical for them to notify the affected homes in advance because of their unpredictable repair schedule. Maybe they’re right!

On the plus side, the snow removal on the streets has been quite good.

So, let’s think Spring — maybe mowing the lawn isn’t so bad after all.

Put the Number 1 sign in your yard.

Stopping power. That’s what a CENTURY 21® sign has when you’re selling your home. That’s because the CENTURY 21 sign stands for local professionals who know how to tell prospective buyers what’s best about your home, who have the resources and training to bring more buyers from across town and across the country.

Give our CENTURY 21 office a call, today.

Put Number 1 to work for you.

NEW "VILLAGER" EDITOR

SINCE THE RESIGNATION OF VILLAGER EDITOR JANET MCDONALD, CHRIS CAMERON HAS ASSUMED THE POSITION. CHRIS AND WIFE LISA RESIDE AT 2621 WOODLEY RD. THEY HAVE TWO CHILDREN. CHRIS IS EMPLOYED BY CELLULAR ONE. PLEASE SEND NEWS ITEMS TO HIS ADDRESS. GREG ROBIE OF 2546 LAKEWOOD WILL BE HIS ASSISTANT.

CHRIS CAMERON

IF OFFERED, I'M SURE THE GREENINGERS, HERM AND JIM, OWNERS OF OUR GOLF COURSE WOULD JUMP AT THE CHANCE TO CREATE A GENUINE COUNTRY CLUB. HOW TO GO ABOUT IT? -- SIMPLE. OFFER TO GIVE THEM THE POOL AND A $10 A YEAR LEASE ON THE LAND SURROUNDING IT. THEY COULD THEN BUILD A BEAUTIFUL CLUB HOUSE AND RENOVATE THE POOL. THERE IS EASEMENT FOR GOLF CARTS TO DRIVE DIRECTLY TO THE FAIRWAY. JUST A SHORT DISTANCE AWAY, THE CLUB HOUSE COULD HAVE A MEETING ROOM TO ACCOMMODATE VILLAGE ACTIVITIES (PART OF CONTRACT). PLUS - THE FULFILLMENT OF ANNE ROMINE'S DREAM OF A GOURMET DINING FACILITY WITH BIG NAME BANDS, DANCING GIRLS AND ROAST DUCK UNDER GLASS. AREN'T YOU FORLORN TO HAVE A BRAIN LIKE ME TO FIGURE THINGS OUT?

TALK ABOUT NEIGHBORS! YOU CAN'T BEAT OURS HERE IN THE PARK. PAT ROSSETTI, SON OF HARVEY, AND PRINCIPAL OF DE-SALES HIGH SCHOOL, ALONG WITH TOM GORMAN, OUR NEW NEIGHBOR FROM IOWA WENT ALL OVER OUR AREA CLEARING SNOW AND ICE FROM DRIVEWAYS DURING SUB-SUB-ZERO WEATHER. GOT ANY MORE FRIENDS IN IOWA WHO'D LIKE TO MOVE HERE TOM?

ANIMAL RIGHTS SOCIETY CALLS FOR BOYCOTT OF DLUJKYS. WE WATCHED WITH TEARFUL EYES FROM ACROSS THE STREET AS DLUJKY'S PIG BEARING 10 INCHES OF SNOW ON ITS BACK DID A NO-ON ICE ROUTINE WHILE SEARCHING FOR ACORN ON THEIR UNSWEEP STOOP DURING THE BLIZZARD. PATHETIC! -- HOW HARD CAN THE HUMAN HEART GET?

THE SPEBSQ HAS BEEN NOTIFIED AND THE DLUJKYS CAN EXPECT TO HEAR A HEAVY BASS VOICE KNOCKING ON THEIR DOOR ANY NIGHT NOW.
Police News

01/07 Grand Theft, persons(s) unknown did remove miscellaneous tools from a truck parked at a residence on Minerva Lake Road.
