Parade Was Big Success!
Submitted by Michael Cirivello, Parade Chairman

Under blue skies and an early morning breeze, the 1994 Minerva Park 4th of July Parade rolled through the streets of the Village. Complete with flags, clowns, balloons, marching music, and much more, the Parade was a wonderful success, and a great addition to our holiday celebration.

I want to thank all of the people who helped make this parade a success. As I said in an earlier Villager article, it takes more than one person to make a parade. My gratitude goes to the members of the Parade Committee: Lynn Eisenbrot, Kolia Wegner, Joann Melsop, Claudette Shannon, and Laurie Cirivello.

Thanks also go to Mayor Jack Murray, and Police Chief Hillard for their help and guidance, as well as to Kathy Best and all of the folks who came out to put together the Village Float on July 2.

Most of all, I want to thank everyone who came out to watch the parade on the morning of the 4th. As I rode in my golf cart as the last entrant in the parade, so many of you came up to thank me and tell me how much you missed having a parade in the Village. Despite all the frustration, late nights on the phone and hard work (from everyone), it was all worth it to hear those comments coming from my friends and neighbors.

MPCA Highlights
Thank you Mike and Laurie Cirivello and your committee for the wonderful 4th of July Parade (their parade report is on page 3). We all had a great time and it could not have happened without you and all of the volunteers. Thanks also go out to the following merchants who donated candy for our parade: K-Mart (Westerville Road), Drug Emporium (Columbus Square), Kroger's (Northern Lights), and the Minerva Market. The 4th of July pet show was also a big success! All fifteen entries received blue ribbons. We would like to thank Michelle Middleton of The Capital Area Humane Society for being our judge. The winners were:

- **Dog Owners**  |  **Pet**  |  **Award**
- Josh King       |  B.A.    |  Best Behaved
- Clarie Eisenbrot|  Annie   |  Best Collar & Lead
- Sarah Eisenbrot |  Nickie  |  Most Handsome
- Greg Wilson     |  Toby    |  Best Puppy Tricks
- Matt Holles     |  Spot    |  Best K9
- Melanie Fry     |  Lizzie  |  Most Friendly
- Anna Dawson     |  Topper  |  Best Groomer
- Susan Russell   |  Shari   |  and
- Marilyn Russell |  Snerry Lou |  Best Costumes
- Michael Dennis  |  Chico   |  Bushiest Tail
- Chrisy Schwartz |  Cherlie |  Most Beautiful
- Zach & Elliot Cirivello |  Lopez |  Most Faithful

And finally this year's winner of the most unusual entry went to Oliver the centipede who is owned by Frances Riggins. Next year will be the 100th Anniversary of Minerva Park and we would like to have a big celebration, if you have any ideas or would like to help with this event, please come to our meeting or call one of the Association Board Members.

(Continued on page 3)

News Flash
At a special council meeting held on the evening of July 20th, the Westbridge Extension Project that would have connected Westbridge Road at Woodley Road from the North side of the Park to Lakewood Drive on the South side of the Park was unanimously voted down.

(Note — August Calendar on page 8)
Village Council
Meeting (May 9, 1994)

General Topics

The meeting was called to order at 8:05 p.m. by Mayor Murray. The minutes of the April 11, 1994 regular meeting and the April 26, 1994 special meeting were accepted as written.

Mayor's Report to Council - The Mayor asked council to consider an ordinance that prohibits overnight parking on Village streets, from midnight to 9 am. It has not been enforced in the past. Should the Village enforce it or repeal it? The question was referred to the Safety and Legislative Committees. The Mayor had received a response from B & D Hauling. They say the delay in picking up the trash was because so much trash was put out by Village residents. This situation will have to continue to be monitored.

The Minerva Park Community Association had 96 individual garage sales during the May 7, 1994 Annual Village Garage Sale. Lake clean-up went well with lots of volunteers and a great deal of work being done. The Walk-a-Thon raised $219 for the Nancy Fischer Scholarship.

Committee Reports

Community - Lynn Eisentrout reported that approximately 60 people came out for Lake Clean-Up Day and that it was a good and productive day. She has contacted Mr. Milano about reconstruction of the pillars if and when it is needed. The playground equipment has been ordered. The Community Association will mulch the playground area.

Streets - Dave Stahr reported that the large potholes caused this winter by waterline breaks have been repaired, and there are still several more that need repaired. A parking block was put at the edge of the Maplewood entrance to protect car tires. Lee Rupp advised that the next slurry seal project is for Park Lane Court and Drive, East Shore, Kerrwood, and Ponderosa. Dave Stahr made a motion allowing the Village Engineer to secure bids for slurry seal project 138-94, seconded by Lynn Eisentrout. All ayes.

Service - Mike Riggins looked up the Village code for trees on the right-of-way. The resident must maintain. If there is any danger because of over-hanging trees, the Village can have the work done and bill the owner of the property. Mike also reported that the hydrants were reviewed during the recent flushing. 43 were looked at to develop a program of costs and to determine which ones to repair this year. 2 need immediate repair.

Finance - The Village bills were approved for payment.

Safety - None.

Bob Landy read Ordinance 2-94, first reading, an ordinance to establish five locations for the posting of ordinances, resolutions, and other information of general interest to the residents of the Village of Minerva Park, in accordance with the Ohio revised code and to repeal ordinance 7-78. Bob Landy moved for passage of Ordinance 2-94, seconded by Paul Hastings. All approved.

Bob Landy read Ordinance 3-94, first reading, an ordinance requiring the registration of all persons soliciting, peddling, polling, requesting joining an organization or other such activity going systematically door to door or with a systematic random going door to door shall register with the Village of Minerva Park Police Department prior to proceeding with such activity. Bob Landy moved for passage of Ordinance 3-94, seconded by Paul Hastings. All approved.

Bob Landy read Ordinance 4-94, an ordinance to amend Ordinance 6-86, dated March 10, 1986, regarding the general overtime policies for full time employees. Bob Landy moved for passage of Ordinance 4-94, seconded by Paul Hastings. After discussion, Lynn Eisentrout made a motion to table the ordinance, seconded by Pam Park-Curry. All approved.

Bob Landy read Ordinance 5-94, an ordinance to establish the definition of part time, seasonal, and temporary employees of the Village of Minerva Park. Bob Landy moved for passage of Ordinance 5-94, seconded by Paul Hastings. After discussion, Lynn Eisentrout made a motion to table the ordinance, seconded by Pam Park-Curry. All approved.

Bob Landy read Ordinance 6-94, an ordinance to amend and update Ordinance 3-82, dated April 12, 1982, and amend Ordinance 5-87, passed March 9, 1987, Section 34.12, concerning the administration of sick leave for full time employees of the Village of Minerva Park. Bob Landy moved for passage of Ordinance 6-94, seconded by Paul Hastings. After discussion, Lynn Eisentrout made a motion to table the ordinance, seconded by Pam Park-Curry. All approved.

Bob Landy read Resolution 94-6, third reading, a resolution to re-establish the salaries for personnel of the Village of Minerva Park Police Department and to repeal Ordinance 3-91, dated June 20, 1991. Bob Landy moved for passage of this Resolution, seconded by Pam Park-Curry. All approved.
Bob Landy read Resolution 94-7, third reading, a resolution to re-establish the salary of a part-time employee of the Village of Minerva Park, to redefine the job description for Maintenance Supervisor, and to repeal section 3 of Ordinance 2-91, dated June 10, 1991. Bob Landy moved for passage of this Resolution, seconded by Paul Hastings. All approved.

Bob Landy read Resolution 94-10, a resolution declaring it necessary to levy a replacement tax in excess of the ten mill limitation. Bob Landy moved for passage of Resolution 94-10, seconded by Paul Hastings. All approved.

Bob Landy read Resolution 94-11, a resolution to amend Resolution 94-9, dated March 14, 1994, "Annual Appropriations Resolution" by transferring certain monies within the General Fund and to declare an emergency. Bob Landy moved for passage of Resolution 94-11, seconded by Mike Riggins. All approved.

Village Officials

Fire Chief Garrabrandt reported that the Fire Chiefs of Central Ohio have met to discuss a county-wide fire department.

Police Chief Hillard reported that false alarm letters have been sent to those residents or businesses that have violated code.

Old Business

Bob Landy brought up the subject of work on Sundays. Council advised him to work on writing a new ordinance and present it at the next meeting.

New Business

None.

Planning and Zoning Commission

At the last meeting of the commission, a shed was approved on Alder Vista and a fence on East Shore.

Neighborhood Notes

Lauri Savko, a resident of Minerva Park, was recently crowned the Junior Miss Ohio National Teenager in the state pageant that was held on June 4th and 5th at Ohio Dominican College. Lauri also won the talent competition by tap dancing to a selection from "Swing Kids" and was voted "Miss Congeniality" by the other contestants in the pageant. Lauri will represent Ohio in the National Pageant that will be held at Opryland in Nashville, Tennessee, August 4th - 11th. Lauri is the daughter of Chuck and Gina Savko and she will be a Junior at St. Francis DeSales High School.

MPCA Highlights (Continued)

Minerva Park has submitted one resident for the NCC Beautification Award. Refer to Flora Says on page 5 for more details.

Council is revising all ordinances, as they are very outdated. They will have readings on each ordinance every 30 days, until they have been read a total of three times. Please call the Community Building if you would like details on any of the ordinances. Council is now working on a resolution authorizing the Village of Minerva Park to apply for financial assistance for outdoor recreation purposes under the Federal Land and Water Conservation Fund Act of 1965.

The Water Line Phase II bid opening will be in January of 1995, with the work to commence in February and be completed in June of 1995.

The Newcomers Committee recently welcomed the following new residents:

- Michael and Kelli McAuley
  2653 Alder Vista Dr.

- S. H. Mills
  2586 Minerva Lake Road

- Debra and Richard Walsh
  5177 Lakewood Ct.

If you are or know of a new neighbor, please contact Romona Wilke (891-5922).
Minerva Park
Squad Report
In June, the squad made 180 runs; 38 runs into Blendon Township (exclusive of Minerva Park) and 6 into Minerva Park. 59 patients were transported to local hospitals.

Members volunteered a total of 1725 hours for the month, raising the total to 10,384 hours year-to-date. The leading three volunteers for the month were Ken Muth (160 hours), Curt Gannon (152), and John Owens (132). John also leads for year-to-date service with 804 hours.

The subject of the June meeting covered splinting. The Firefighters Association also elected new officers for 1994-95. The new officers are as follows: Troy Elmore (President), Dozia Key (Vice President), Rick Hoeckstetter (Secretary), and John Lykins (Treasurer). Frank Meredith was appointed Lieutenant and is in charge of equipment and supplies.

During June, the squad responded several times to incidents involving children left in cars during the extremely hot weather. This is an extremely dangerous practice, even for "just a few minutes." Car temperatures can soar in a brief time and a child's tolerance for these conditions is limited.

Minerva Park Runs
06/03 Minerva Lake Rd. Heart Attack
06/06 Lakewood Chest Pain
06/18 Woodley Rd. Injured Person
06/23 Farview & 161 Auto Accident
06/26 Maplewood Rd. Fire Alarm
06/26 Cleveland Ave. Fire Alarm

Mayor's Corner
Contributed by Jack Murray

I wonder if all of you are aware of our participation in the process that brought St. Ann's Hospital to its present location. Our support of St. Ann's hasn't been discussed much and may not be well known. To give you some background, when the hospital owners were planning to build in the present location, they needed to raise money for the project. It was determined that the best way to raise such a large amount was by selling bonds. The surety for these bonds was provided by the City of Westerville, Blendon Township, and the Village of Minerva Park. This arrangement makes these three government entities legally liable for the debt.

A group composed of three members of each government make up a board called the Joint Township District Hospital Board who oversee the use of these funds. This board meets at least twice a year to review the financial status of the hospital and to approve any major expenditures that would involve increased indebtedness. I am pleased to report that the hospital is currently in sound financial condition with a low debt to equity ratio, and the reserve funds are approximately three times maximum debt service.

St. Ann's will be celebrating its tenth anniversary this month as it continues to grow and provide a very valuable service to our area.

Have you attended a Council Meeting recently? We meet at 8:00 p.m. on the second Monday of each month, except August. If Monday is not your favorite TV night, why not join us. You can get advance information on the agenda by calling the office at 882-5743, or stop by and pick up a copy on Monday morning (the day of the meeting) between the hours of 9:00 a.m. and noon.

Wasn't it nice to have a Fourth of July Parade again — even without a band! There was a nice turnout by both participants and spectators; and so many people helped put everything together — from the parade chairman and wife to the people who made the professional looking signs. Good job! Let's do it again next year.

We have been officially awarded funding for replacement of our aging waterlines. I had hoped to have this work completed this year, but because the funding was so late coming, we won't start construction until mid to late February 1995. Completion should be by the end of June 1995. The lines will be replaced along Alder Vista, Lakewood Drive, Maplewood Drive, Elmhurst Avenue, and East Shore Drive from Berry Lane to Minerva Lake Road.

NOTICE — Council will meet at 7:30 p.m. on Monday, August 8th. This will be a work session to discuss ordinances relating to personnel.
Flora Says — This month we entered Harold Hard’s yard at 5336 Park Lane Ct. and the island across from the golf course in Northland Community Council’s beautification contest. Runners up for consideration were: Joneses (5071 Maplewood), Andersons (5081 Maplewood), Dawsons (2861 Lakewood), and Carfagnas (3081 Minerva Lake).

Dr. Lude, Reno Volpes, and the Community Building were recent winners and not eligible this year but looked wonderful. No yard is at its peak all the time and the same yard does not appeal to all people, but at a different time and with different judges, we still came out with the same group for consideration as we did last year.

Flora served as one of the Northland’s Judges and spent 2 plus hours riding around the area and came back impressed with how good our whole area looks in comparison with some of the newer (but not very new) developments. One thing to our advantage is that there is more variety in the appearances of our homes. Secondly, we have better designed front yards with lots of color. Finally, we have lots of big trees. One subdivision had a large tree in each yard and all of which were the generally considered undesirable silver maple.

Tim Curry has been bugging me for months to write about our big trees and I keep saying “later when nothing is in bloom.” I agree that our big trees are one of our greatest assets. If you don’t appreciate them, ride through Strawberry Farms and the surrounding areas. More on trees later, but I would like to confine my remarks now to the loss of trees recently. The big oak that was near the bridge over the spillway broke off about 4 feet above the ground and fell over our path. Fortunately no one was under it and Jim cut the part that was on the path but I suspect that area will be an eyesore for a long time to come. That same weekend, another tree dropped into the lake near the Community Building; farther up the lake a large dead one is awaiting removal.

Tree removal is very expensive and the bigger the tree the more the expense, but usually it is cheaper to do it sooner rather than later and certainly it is safer. It is a temptation to put off until next year, but when more and more limbs die, it’s smart not to wait until it falls. I was happy to see that when Gaiser’s (2764 Minerva Lake) took out their dead tree, they removed its companion which was dying back also. Every year we lose some; every year we need to plant new ones, but we need to be careful of what we plant and where because we are planting for future generations. More on trees come Fall.

As Tim and I were riding down Minerva Lake Road looking for a place to move the plants that are by the pillars, he mentioned a deer in a front yard. I looked at the 2 statues on the South side of the street, but he said “North side” and sure enough there was a young doe and it moved! Then I learned it is a frequent visitor. I know the people on Maplewood have deer in their back yards all the time but I had not idea they were roaming so far from the weeds and fields South of the Park. I have picked up a couple of articles this Spring on “deer resistant plants.” I would be glad to share this information with anyone who requests it. Also, columnist Jane Martin of the Extension Service writes that you may call their office at 443-6200 if you would like a copy of the Cornell Cooperative Extension fact sheet entitled “Resistance of Woody Ornamental Plants to Deer Damage.”

So what’s the good news? The Stahrs (2644 Lakewood) did the second half of their foundation planting and it looks real good. Currys (2559 Lakewood) have a chair inviting you to sit under the tree and gaze across the yard to the large basket of orange impatiens. The Bebbers (2804 Lakewood) have a beige bench between two crab s and flanked by 2 matching pots filled with plum colored impatiens. The new neighbors at 2794 Lakewood brought us a new front yard ornament — a stone dog holding a basket in his mouth as he sits on the stone wall by the entry steps. Paughs (2860 Minerva Lake) have a large elevated bed of red monarda along the drive. At 2840 Minerva Lake, a front planting went in this week. Flora Berretti (2868 Maplewood) is very much into container gardening with many pots with lots of different colored plants grouped around the outdoor fireplace. Nice beds of daylilies and gloriosa daisies are nearby and the front has pink begonias, red salvia, and dusty miller in the ground. Florence Fortin across the street at 2865 has fussed all Spring about the animals eating her annuals, but still remains very colorful with a salmon and yellow scheme. Her stone basket by the front door is filled and there are lots more in the ground along the walk.

The impatiens are finally coming into their own and will be featured next month. If any of you would like to write a column or ride with me to put your two cents worth in, call me at 882-5444.
Pool News
Submitted by the Minerva Park Pool Board

You can almost count the days until school begins, but you can still stretch out the summer by participating in our August pool activities.

Kicking off the month will be the teens kicking up their heels at the teen dance on August 5th. Back by popular demand will be another ice cream social on Sunday, August 7th from 6-8:30 p.m. featuring banana splits and make-your-own sundaes.

On Friday, August 12th, you will not want to miss our dive-in movies. This is a great treat for the entire family, as we will be showing two entertaining movies (on our wide screen) at pool side. The dive-in movie, like the drive-in movie, will have concession stand availability throughout the evening.

Closing our August events, will be our biggest summer fundraiser and community gathering — the annual corn roast. Mark your calendar for Saturday, August 20th (raindate is August 21st) from 5-7 p.m. Refer to our ad for a complete menu and details. Be sure to note the availability of advanced ticket sales at the pool office (noon - 9 p.m., August 1st through the 12th). Picking up your tickets early will minimize the "corn-fusion!"

The Minerva Park Time Capsule

Did you know ...

A momentous action took place in April, 1955. The Westerville Board of Education accepted the Blendon Township Local District. The $500,000 school bond issue was passed in November by a vote of 1,763 to 900. This provided the necessary money to build Hawthorne Elementary School.

Named for the American literary hero, the building was accepted by the board on January 2, 1958. The combined September enrollment at the two schools was 544 pupils. Mrs. Helen Slack assumed the duties in September, 1953, of Principal at the Minerva Park School. Upon the completion of Hawthorne, she became the principal of both schools.
