Mayor's Corner
Contributed by Jack Murray

The project to widen I-270 has been delayed again. The funding is now scheduled for consideration in 1997. This project is to widen I-270 with an additional lane in each direction between Dublin and Westerville. If you travel the outerbelt during the morning or evening rush hours, you know how congested traffic can be, but it appears that relief is not on its way anytime soon.

I haven't had any complaints about the trash pickup for several weeks. I hope that means they're doing it right—finally!

In the June VILLAGER, I mentioned that the November ballot would present a renewal levy for your consideration. Please be aware that this is not a new levy but one that has been in place in its present form since January, 1990. This money is needed to provide adequate police and fire protection as well as emergency services, trash and leaf pickup, street repairs, etc. I believe that renewing this levy is in the best interests of the Village. It has been my observation that your Village officials have been very conscientious in the management of our money, and during my term as your mayor, I will make every effort to see that this continues.

Have you noticed? We are replacing some of our traffic control signs throughout the park based on the recommendations of the police. Please notice that some "yield" signs have been replaced by "stop" signs. If you have any recommendations for sign changes, let me know.

Something I'll bet you didn't know; a new Ohio law provides that a driver cited for driving under the influence of drugs or alcohol when there is an underage person in the car, can be charged for child endangering.

November Calendar
03 Planning and Zoning Meeting, 7 p.m.
08 Election Day
11 Veteran's Day
14 Village Council Meeting, 8 p.m.
16 MPCA Meeting, 7:30 p.m.
17 THE VILLAGER Deadline, 5 p.m.
24 Thanksgiving Day

MPCA Highlights
Summer is long gone, but it was a fun time, we had a great 4th of July parade and many of us enjoyed the pool. The Halloween Party will have been a real treat for the children. We are now looking forward to Thanksgiving and Christmas. We will have the Festival of Lights again this year and award prizes. Most of the board members will continue on for the next year, except Tim Curry was unable to continue, but thanks for a great job Tim. Our new Vice President is Jim Kehl and we know he will do a fine job. We have a new committee, Information and Publicity, which Jon Self has offered to take. Thanks Jon!

We will be coming to see each resident to ask them to join the association and will also have the new directory available to hand out. We are looking forward to the new year and all the activities that are being planned. We will have a Christmas party for the children with Santa, and we are also working on a big celebration for Minerva Park's 100th Anniversary. We are always looking for volunteers to help or if you would like to be on any of the committees please let us know, call any of the board members for information or to volunteer. Our meetings are the second Wednesday of every month.
Village Council Meeting (Sep 12, 1994)

General Topics
The meeting was called to order at 8:05 p.m. by Mayor Murray. Corrections to the July 11, 1994 minutes - Issue 1 money should include for land and water grant money and the 100th birthday next year will be for Minerva Park as a Park. With those additions, the minutes of the July 11, 1994 regular meeting, the July 20, 1994 special meeting, the August 8, 1994 special meeting, and the August 15, 1994 special meeting were accepted as written.

Mayor's Report to Council - Mayor Murray congratulated Dave Stahr and his committee for their work on organizing the leaf pick-up for this year. The U.S. Flag that now flies in front of the Community Building was one flown over the U.S. Capitol. The City of Columbus Division of Water has sent a bill for the 1993 waterline breaks totalling $19,416. He will protest the bill with the City of Columbus.

Mary Yost gave a proposal to Council regarding the transferral of all the plantings at the Minerva Lake Road/Lakewood entrances before the City of Columbus widens Cleveland Avenue. Lynn Eisentrout made a motion to grant MinervaFlora permission to move the plantings from Cleveland Avenue to an area near the sewer plant road at Maplewood, seconded by Pam Park-Curry. All approved.

Rolla Wagner reported for the Minerva Park Community Association that their annual meeting will be Sunday, September 18, 1994 at 2 pm for the election of officers. Harold Hard won the NCC competition for residential flower gardens and the golf course island won for best public/institution plantings.

Village Officials
Fire Chief Garrabrandt reported over 13,000 hours have been volunteered so far this year. The EMS will do blood pressure checks at resident's homes or they can come to the Community Building. He also noted that Jeanné Blair donated all of former Mayor Dave Blair's oxygen equipment to the EMS.

Lee Rupp reported that the slurry seal project is done for this year. The Gordon Food site is coming along quickly. There is concern over the amount of dirt on the road. As a result, Gordon Foods has been reminded to keep the street clean.

The next round for Issue II applications needs to be considered. Mayor Murray will submit an application for Minerva Lake Road waterline replacement, unless there are other needs.

Planning and Zoning Commission
Pat Mangan, Chairman, presented two variance requests to Council. The first was a shed for Dave Roberts at 2545 Woodley Road that needs a variance due to placement within 8 feet of the lot line. After discussion, Pam Park-Curry made a motion to grant the variance, seconded by Lynn Eisentrout. All approved. The second request was for a fence for Jody McClure at 2642 Woodley Road. The fence would extend beyond the back wall of the house. After discussion, Dave Stahr made a motion to grant the variance, seconded by Bob Landy. All approved. The last consideration for Council was the request for a sign permit for Hammer-Huber at the old West Coast Video location. After discussion, Lynn Eisentrout made a motion to deny the permit application, seconded by Pam Park-Curry. All approved.

Committee Reports
Community - Lynn Eisentrout reported that the Community Committee met with the residents who live by the playground. They came up with the following four suggestions: 1) more police patrol in the area, 2) a small stop at the path to stop pedestrians and bikers, 3) a police foot patrol that will stop and talk with the neighbors, and 4) lower the baby swings. They would also like the residents to be contacted before anything else is added to the playground.

The pillars at the entrance will cost $7,000 - $10,000 to move. Any questions or suggestions can be directed to Lynn Eisentrout. There is also a need to repair or replace the sign for Minerva Park that stood on Cleveland Avenue.

Streets - Dave Stahr thanked his committee for their help with the leaf pick-up program this year. Negotiations are being conducted with Dick McKinney to do the job again. The Village will be purchasing a new leaf loader. A schedule for leaf pick-up will be printed and given to each resident and/or published in the Villager.

Service - Mayor Murray received Mike Riggins letter of resignation effective 8/31/94. Council accepted his resignation and will interview candidates to replace him at a special meeting on September 26, 1994 at 7:30 pm.

Finance - The Village bills were approved for payment.

Safety - None.

Legislation - Bob Landy read Ordinance 3-94, second reading as amended, an ordinance requiring the registration of all persons soliciting, peddling, polling, requesting joining an organization or other such activity going systematically to door to door or within a systematic random going door to door shall register with the Village of Minerva Park Police Department prior to proceeding with such activity. Bob Landy moved to accept the first reading of Ordinance 3-94, seconded by Lynn Eisentrout. All approved. Bob Landy moved to waive the second and third readings, seconded by Dave Stahr. Approved, but not unanimously. Ordinance 3-94 will go to a second
Bob Landy read Ordinance 4-94, an ordinance regarding the general overtime policies for fulltime employees. Bob Landy moved to accept the first reading of Ordinance 4-94, seconded by Lynn Eisen Trout. All approved. Bob Landy moved to waive the second and third readings, seconded by Lynn Eisen Trout. All approved. Bob Landy moved for passage of Ordinance 4-94, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Ordinance 5-94, an ordinance to establish the definition of part time, seasonal, and temporary employees of the Village of Minerva Park. Bob Landy moved to accept the first reading of Ordinance 5-94, seconded by Lynn Eisen Trout. All approved. Bob Landy moved to waive the second and third readings, seconded by Dave Stahr. All approved. Bob Landy moved for the passage of Ordinance 5-94, seconded by Lynn Eisen Trout. All approved.

A motion was made by Lynn Eisen Trout to table Ordinance 6-94, seconded by Bob Landy. All approved.

Bob Landy read Ordinance 7-94, an ordinance to forbid labor and transportation of machinery and materials during the night. Bob Landy moved to accept the first reading of Ordinance 7-94, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Ordinance 8-94, an ordinance providing for the employment of a Director of Law for the Village of Minerva Park for the calendar year 1995, with an option to extend employment through 1996. Bob Landy moved to accept the first reading of Ordinance 8-94, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Ordinance 9-94, an ordinance to mandate that anyone doing work for the Village of Minerva Park for pay as a non elected part-time, temporary, or seasonal employee must be listed on the Village payroll as an employee. Bob Landy moved to accept the first reading of Ordinance 9-94, seconded by Dave Stahr. All approved.

Bob Landy read Ordinance 10-94, an ordinance amending the Village of Minerva Park, Ohio codified Ordinance Title 3, Section 34.12 (D) pertaining to the sick leave benefits for non elected full time employees of the Police Department. Bob Landy moved to accept the first reading of Ordinance 10-94, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-17, a resolution to re-establish the pay periods for regularly employed full time non elected salaried and hourly personnel. Bob Landy moved to accept the first reading of Resolution 94-17, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-18, a resolution accepting the amounts and rates as determined by the Budget Commission and authorizing the necessary tax levies and certifying them to the County Auditor to declare an emergency. Bob Landy moved for passage of Resolution 94-18, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-19, a resolution to establish a pay scale for temporary and seasonal employees of the Village of Minerva Park. Bob Landy moved to accept the first reading of Resolution 94-19, seconded by Pam Park-Curry. All approved. Bob Landy moved to waive the second and third readings, seconded by Pam Park-Curry. All approved. Bob Landy moved for passage of Resolution 94-19, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-20, a resolution approving the $5.00/ton generation fee as proposed by the Solid Waste Authority of Central Ohio and to declare an emergency. Bob Landy moved for passage of Resolution 94-20, seconded by Lynn Eisen Trout. All approved.

Bob Landy made a motion to bring to the table Ordinance 6-94, which he then read, an ordinance amending Ordinance 12-91, Section 5, passed December 9, 1991 pertaining to the Village's membership in the Central Ohio Health Care Consortium as it pertains to the appointment of a director and a proxy director to the consortium from the Village and to declare an emergency. Bob Landy moved for passage of Ordinance 6-94, seconded by Dave Stahr. All approved. Narcus Tsiliacos, Village Law Director, then resigned as director of the consortium. Lynn Eisen Trout made a motion to accept the law director's resignation, seconded by Pam Park-Curry. All approved.

Lynn Eisen Trout made a motion naming Jack Murray as director and Paul Hastings as proxy director to the Central Ohio Health Care Consortium from the Village of Minerva Park, seconded by Pam Park-Curry. All approved.

Happy Thanksgiving from the VILLAGER staff!
Minerva Park
Squad Report

In September, the squad made 143 runs; 34 runs into Blendon Township (exclusive of Minerva Park) and 9 into Minerva Park. 58 patients were transported to local hospitals.

Members volunteered a total of 1595 hours for the month, raising the total to 15,428 hours year-to-date. The leading volunteers for the month were Aaron Renner (126 hours), Curt Gannon (108), and John Owens (93). John also leads for year-to-date service with 1163 hours.

The subject of the October training meeting covered the new county-wide standard pediatric treatment kit. Our squad is only the second in the county to take possession of the new equipment, which has been donated by the Central Ohio Academy of Medicine and Children’s Hospital.

Found. A bracelet was found on Lakewood Drive. If you think it may be yours, please call 882-5357.
Flora Says — We are fortunate this year not to have had an early frost so as of mid October we still have our annuals blooming. While they don't look like they did a month ago, some (such as the yellow marigolds and purple ageratum) still are putting on a good show.

Geraniums also are valuable in the Fall display for those who do not want to yank everything out to make room for mums.

The Reno Volpes (2832 Wildwood) took all their pink impatiens out and replaced them with ruby and white colored mums. All the many grasses have tasseled also, so the yard has a real fall look. Paugh's (2860 Minerva Lake) have bright colored mums in the raised mound near the street and under the picture window of their house. The latter were reflected in the lake doubling their color value. The other large bed which contained yellow and rust shades was at Groshes (2587 Briar Rose) where they replaced pansies that were great from early Spring through mid August. At 2840 Minerva Lake their is a mass of mums all along the West side of the house. New mum plantings are beautiful but too often they do not live over. To keep them over, it is wise to mulch them after the ground freezes. To have nice compact plants, one should pinch (cut) them back part way every couple of weeks until the Fourth of July and divide them every couple of years. A lavender variety known as grandchild is especially hardy!

Jeri Wunderle was my rider this month and her favorite Halloween decoration was at the Roberts (2545 Woodley). On the door was a fancy orange bow and a flag. At the side was the goose dressed as a witch, a laughing ghost and a witch sitting on a bale of hay. On the East side of the door was a planting of mums. My choice was at the home of 1 of our new residents (2515 Maplewood). To the left of the door was a flag with a jack o'lantern on a black background, a big pumpkin and a witch; to the right was a witch figure surrounded by pine cones and small pumpkins. In the tree near the entrance was a skull windsock and under the tree was a nice bed of mums.

Displays spread all over the yard were festive at McKinneys (3064 Minerva Lake) and Eisentrouts (2753 Wildwood). Other notable decorations were at 2668 Woodley where orange and white ghosts & witches hang in a tree and orange and yellow marigolds are still looking like it was mid Summer. The goose at 2245 Minerva Lake has a jack o'lantern body and a tam on its head and there are corn stalks and pumpkins at the lamp post. The goose at 2924 Kerrwood was wearing a black coat with a hood and is surrounded by cute little pumpkins. There are orange lights on the front bushes and a pumpkin head figure swinging from the tree. Davis' tree (at 2693 Alder Vista) is also hung with skull, jack o'lantern, and ghost figures, and a purple bat and white & purple windsocks decorate the entrance.

I saw several flags that appealed to me. At 2783 Alder Vista and 2709 Lakewood, the flag is blue with a black cat silhouetted against the moon and a pumpkin under foot. At 2766 Alder Vista, the green flag has a basket containing colored leaves. At 2718, a witch riding her broom is silhouetted against the moon on a blue background.

Many of the decorations aren't up yet so I will mention more next month. I am planning to have some teenagers pick their favorites just before Halloween.

The Dow's (5271, E. Shore Dr.) have a new foundation planting containing needle evergreens, a rhododendron, and a dogwood that leaves plenty of space to plant flowers next summer.

Fall color is at its peak and we have so many gorgeous trees it's hard to single out any one as the best. On October 11th, the ones at 2945 Berry Lane (Rose's), 2758 Wildwood, 2890 Kerrwood, 2636-2650 Jordan Road, and many in the area of the golf course island were glorious sights in the sun. On a smaller scale the firebush hedge and a young japanese maple glazed at 2593 Minerva Lake.

Most of us are kind of tired of lawn chores and dread leaf raking, but any Summer bulbs you plan to save should be inside by now and daffodils need planting. If you are planting tulips or crocuses, soaking the bulbs in "Rope" helps repel squirrels. Keep watering evergreens until the ground freezes and spraying them with "Wilt Pruf" helps reduce moisture loss. Also this is a good time to fertilize the grass, shrubs, trees, and perennials. And if you are planning any new beds, this is a good time to do the digging. The more work we do in the Fall, the less we have to do in the Spring.
A Survivorship Policy Protects Your Estate
Contributed by Todd R. Woods

For many couples, effective estate planning includes survivorship life insurance, also known as joint life or second to die. This type of policy was designed to help couples meet their estate tax needs. It can be a cost-effective alternative to single life policies, providing the same amount of coverage for less money.

Federal estate taxes are often the largest single tax expense most people pay, and can reduce the total value of an estate by as much as half. The Economy Recovery Act of 1981 introduced the unlimited marital deduction, which shifted the focus off the first death to the second. Married couples can leave all assets to the surviving spouse free of estate tax, but does not eliminate the taxes. Instead, they're deferred to the death of the surviving spouse. When the second spouse dies, the tax may be much greater, because the estate has combined and appreciated. The second spouse's death might actually represent a tremendous financial burden to that person's family, if the estate consists of timed investments, real estate, or a business, which might have to be sold.

Unless you plan to leave your entire estate to charity, you can not eliminate taxes completely. By paying estate settlement costs, survivorship life insurance can ensure that the wealth you have created will be protected.

Options for owning and funding a survivorship policy will depend on individual situations and objections.

Neighborly Notes

Punt, Pass, and Kick
Louis Roeble, son of Greg and Debbie Roeble of Lakewood Drive, won the Westerville Punt, Pass, and Kick competition for the 9 year old age group. The competition was held Saturday, September 10, 1994, at Alum Creek Park. With the victory, Louis advances to the sectional competition to be held Saturday, October 22, 1994 at Westerville South High School. Good Luck, Louis!!!

Don't Forget to Winterize Your Gutters
contributed by Steve Weyl, President of ABLE Roofing

With winter approaching, the wise homeowner can take precautions that may save big repair headaches this winter. ABLE Roofing President, Steve Weyl, recommends the following: Clean your gutters - dirty gutters interfere with the natural flow of water. The result is excessive weight from standing water and eventually ice. This condition may lead to the loosening or eventual loss of your gutters. Dirty gutters will also cause water to back up into your home causing major wall and ceiling damage. Weyl recommends a final cleaning after the last leaves fall from the trees...usually just after Thanksgiving.

Safety is a priority for homeowners cleaning their own gutters. If you clean your own gutters, get some help. "Each year we hear of customers getting hurt from ladders slipping or customers losing their balance. Having someone holding the ladder can eliminate much of the danger". If you hire someone to clean your gutters, insist that they provide a Workers Compensation Certificate. This will relieve the homeowner of liability should an accident occur.

To eliminate future gutter cleaning, installing screens can help. If you live in a heavily treed area, the screens will clog causing more problems. A product called Gutter Helmut will never clog and will keep gutters free flowing, even in heavily treed areas for years.

AN OLD MAXIM GOES: "A WOMAN, A MOUND IN A WALNUT TREE, THE MORE YOU BEAT HER, THE BETTER THEY BE." THIS DOESN'T MAKE SENSE; THEY WOULD NEVER BEAT A POOR DOG, WOULD THEY?

Thanksgiving Day

365 DAYS A YEAR (PLUS EVERYTH.)

JUST A SHORT WHILE AGO JIM KNOERLE AND WIFE LOUISE MOVED TO OUR COMMUNITY FROM SAN ANTONIO, TEXAS. THEY WENT TO THEIR DOG, COBY, LIVE AT 815 MAPLEWOOD DR. JIM IS MANAGER OF A COLLECTION BUSINESS, WHAT MAKES THEM ARRIVAL DIFFERENT FROM MOST IS WHAT THEY'VE DONE AT THE PREMISES SINCE ARRIVING HERE. IN DRIVING PAST, YOU MAY HAVE NOTICED THE LITTLE WHITE FLAGS BORDING THE FRONT YARD. JIM EXPLAINS THAT THEY SHOW WHERE A DOG FENCE WIRE IS BURIED. THE AMAZING THING ABOUT THIS TYPE FENCE IS THAT IT IS ABSOLUTELY HARMLESS. ONLY THE CHOSEN PET CAN TELL WHERE IT IS. THE DOG WEARS A SPECIAL BATTERY-OPERATED COLLAR WHICH TRANSMITS A SLIGHT SHOCK TO THE WEARER AS IT NEARS THE INVISIBLE FENCE. THE FLAGS ABOVE ARE PART OF THE PROCESS OF TEACHING THE DOG TO SENSE PETS LEARN VERY RAPIDLY TO STAY SEVERAL FEET FROM THEM. THERE IS NO INJURY TO THE ANIMAL. JIM SAYS HIS VETERINARIAN SUGGESTED THE INSTALLATION TO HIM AND IT WORKS. COBY WONT APPROACH CLOSER THAN FIVE FEET FROM THE FLAGS. AGAIN WE EMPHASISES THAT THERE IS NO DANGER OF ELECTRICAL SHOCK. THE FLAGS ARE NOT FOR WARNING BUT FOR PET TRAINING. JIM IS A VERY FRIENDLY NEIGHBOR, SAYS HE'LL BE GLAD TO GIVE YOU DETAILS: CALL 899-6975.

Off To New Fields

MAYOR DAVE BLAIR

LYNCH SAYS THAT EVERY TIME HE WANTS A MOTOR BIKE, AND NOW UNCLE HARRY HAS A PICK-UP TRUCK, ONE (Bought a moped using wife Renee's credit card)

WEH LYNCH SAYS HE MUST RIDE A CYCLE TEST MEANWHILE DUCKS SQUIRRELS, KIDS AND CATS BEWARE!

Larry & Ernie

Larry says that every since he was a kid he wanted a motor bike, and now uncle harry has a pick-up truck, one (bought a moped using wife Renee's credit card)

Larry says that every since he was a kid he wanted a motor bike, and now uncle harry has a pick-up truck, one (bought a moped using wife Renee's credit card)

ONE COLD FALL EVENING, ABOUT DUSK, I WAS SITTING ON A STUMP OUT FRONT SIPPING A CUP OF STRIPES RYE TEA. LARRY HAD BROUGHT ME ALCOHOLIC TEA. I HEARD A CONVERSATION DOWN THE ROAD, A STUMBLING, DISHEVELED FIGURE, WAVING A DOUBLE BARRELED SHOTGUN, WAS APPEARING, STANDING AND SHOUTING UNPRONOUNCABLE NEologisms. COMING CLOSER, I RECOGNIZED NEIGHBOR JOHN RAKE PROMINENT IN THE BOOKDOCKS, WHERE'S THAT AS YIP PE SCREAMING I THOUGHT IT WAS SOMEONE'S ORIGINALLY WOULD NOT UTER ANYTHING MORE PROFANE THAN "DARN IT" AND SILENTLY STOPPED IN THE ROAD. JOHN'S SUBSTANCE, UNDER THE PLOW, FINALLY GETTING HIM SOUTHER DOWN WAWAN WITH A BIG SLUG OF MY STRIPES RYE TEA. I TOOK THE REASONS FOR HIS BEING SO DISTRACTED, SEEMS HE OWNS A PIG OF DIFFERENT SEX, THE BROAD SUDDENLY presenting HIM WITH A PENIS OR WHATEVER IT IS THAT PICS HAVE AND JOHN'S ORIGINALS INSUSCIPABLE. SAYS, IF HE CAN'T EAT MAPLEWOOD HAM, HE'S SLAPPING A PATERNITY SUIT ON THE DUSKIES--THURBERVILLE!
Police News

09/04  Vandalism, person(s) unknown threw a rock through a window in the 2800 block of Lakewood Drive.

09/04  Theft, person(s) unknown did remove two pair of shorts from a clothes line in the 2600 block of Minerva Lake Road.

09/05  Vandalism, person(s) unknown threw a rock through a kitchen window in the 2800 block of Lakewood Drive.

09/07  Vandalism, person(s) unknown threw a brick through a window in the 2800 block of Wildwood Road.

09/16  Theft, a resident of Woodley Road had his bicycle stolen while at the Northland Plaza Shopping Mall.

09/18  Menacing Threats, a resident of Minerva Lake Road was threatened by a passing motorist while at the Lake.

09/21  Criminal Mischief, person(s) unknown spray painted the outside walls of a building at Cleveland Avenue and Jordan Road.
