MPCA Highlights

We would like to wish you all a Happy Holiday and a prosperous New Year.

We would like to clear up any misunderstanding regarding the dunking machine we had at the pool during the 4th of July celebration. The dunking machine cost $125.00, the MPCA asked the Pool Board to cover the $125.00 cost and then any money made above and beyond the cost was donated to the pool.

We will be working on upcoming events for the next year, if you would like to help, please call or come to one of our meetings.

Membership/Dues Committee - We will be out collecting dues for membership to the MPCA. The dues are $10.00 and we will also have the new Minerva Park Resident Directory. We would like to thank Mr. and Mrs. Jon Self for all of their help in getting advertising for the directory.

Northland Community Council Committee - The NCC will be collecting food for the Mid-Ohio Food Bank. Please drop any canned or boxed goods off at the Community Building by December 5, 1994.

The VILLAGER Committee - We are in the need of a reporter who is able to work a few hours on the 2nd Monday of every month to cover the Village Council Meetings. This like all other MPCA tasks is a volunteer position. If you are interested, please contact either Chris Cameron (898-7863) or Greg Roebel (890-5130).

Newcomer's Committee - We are looking for a chairperson for the Newcomer's Committee. If you are interested, please contact Rolla Wagner at 395-2236.

Children's Committee - The first Minerva Park Meet the Police Open House was held on October 8th on the front lawn of the Community Building. The weather couldn't have been more perfect. The turn-out was disappointing but the residents who attended enjoyed a chance to meet and visit with our police officers. The children enjoyed the balloons, refreshments, and seeing inside the police cruiser and squad. The Children's Committee would like to sponsor another open house again but would love to see a larger turn-out.

Thanks to our police officers who were there: Chief Hillard, and Patrolman Rex Waldenmayer, Eric Moor, and Todd Cox. Thanks also to the volunteers Martha Reitman, Pertain Buckland, Lynn Eisenbrount, and their children who helped out too.

Ghosts, goblins, pirates, and Power Rangers enjoyed the Minerva Park Children's Committee Halloween Party on Oct. 29th. We had a lovely day and a great turn out! The children had a wonderful time.

Many thanks to all of our indoor helpers and Enchanted Forest volunteers! We couldn't have done it without your terrific help!

Congratulations to our Scavenger Hunt winners:
1st Place: B.J. Melsop, and
Zack Mylander
2nd Place: Erin Engle, and
Noah Murphy
3rd Place: Sarah Eisentroat, Carrie Kohn, and
Nikki Rowe

The Annual Christmas Party will be held on December 10th from 2 to 4 p.m. Come enjoy refreshments, crafts, cookie decorating, etc. Santa will be there (we hope!). Please note: Mrs. Clause (Ruth Mussio) has been quite ill, so Santa (Gid Mussio) may not be able to attend. We wish Mrs. Clause a speedy recovery and offer Santa a huge "Thank You!" for all his help in years past. We truly hope there is a Santa's Helper out there willing to fill his boots if need be.

We also need a photographer. This person need not be a "pro", just familiar with cameras. We will provide the camera and film. We also need bakers! We will need plain cookies for the kids to decorate, as well as baked goods for the refreshment table.

If you can help with these (or in any capacity, please, please, please) call Joann Melsop at 794-2120.

Minerva Flora Committee - The Festival of Lights contest will be held again this year and the judging will be done December 4-12, 1994. The winners will be awarded a holiday basket and the rules are as follows.
First place winners will be selected in six categories:
1) BEST OUTDOOR TREE
2) BEST ENTRANCE WAY
3) BEST WHIMSICAL DISPLAY
4) BEST RELIGIOUS WINDOW
5) BEST PICTURE WINDOW
6) BEST OUTLINE EFFECT

Winners will receive a holiday basket. Runners-up will be listed in the Villager. Households which won last year are ineligible. Judges will include both adults and teenagers from different areas of the park. Persons interested in being a judge please contact Rolla Wagner, President of Minerva Park Community Association, 895-2236.
Flora Says —

Hasn’t it been a gorgeous fall? I can’t believe it, but as of mid November I do have impatiens and geraniums still in bloom and looking good. Our trees all seem to have had a bumper crop of leaves this year. I’ll be glad when they are gone — they are so messy. But when they are full of colored leaves, we all rave about them. Velma Graves (2586 Minerva Lake) called me to ask me to be sure to admire their "red sunset" maple which they planted 2 years ago and it really was already making a big statement. Even larger, more red, and later blooming was one maple (variety unknown) at 3246 Minerva Lake — how I wish we had many more like it instead of so many non-descript silver maples. Tim Curry is always faulting me for not writing enough about our wonderful big trees, so I promised him that I’d write a lot this winter when there aren’t prettier things to rave over and that I’d give him a change to have his say so. So keep tuned for Winter VILLAGERs.

Trees may be the stars of mid October to mid November, but the fire bush (euonymous alatus compactus) is a very spectacular sight. They are easy to grow and disease resistant and as large shrubs are useable where a tree would be too large. The Japanese maples are smaller than most of their relatives and are an intense red. Speaking of red, on November 15th, I saw a tree rose at 5389 Park Lane Dr. which was loaded with red flowers.

In October’s VILLAGER I mentioned the huge dahlias I saw growing on Jordan Road (no name or number on the mailbox). The owner has now identified his property as that of Luther Haven at 2525. He and his 3 sons and daughters living near him run the Flying Eagle and are now involved in raising dahlias. He has been doing this for 5 years and reports with pride that he had the champion dahlia at the State Fair and had some best of show blooms at Toledo, Cincinnati, Elkhart as well as Columbus. He entered 11 shows in 10 days and was a busy man. If you are interested in raising dahlias check with Luther Havens; he told me lots of interesting things like he just gotten a refrigerator so store them in over the Winter, you grow the good ones from seed and slugs love them (ugh!). I anticipate seeing a lot more dahlias in Minerva Park in the near future.

Moving Day — As of November 12th, your Minerva Flora Committee had completed the project of moving things from the Maplewood and Minerva Lake Road entrances. The hemlocks are in the area behind the Community building and the rest of the trees and shrubs are in a bed at the end of Maplewood. Drive around and take a look if you haven’t done so already. Perennials and other finishing touches will be added next Spring.

This was quite a project. It was easier the 1st time we planted these things 3 to 5 years ago, but they grew well. Step #1 was to move daylilies, hostas, and ferns in September. Step #2 was to rototill the bed and add Topsoil Plus (plus - meaning it contains compost and sand). This activity of mid October was followed by Step #3; hole digging day. It took a pick ax as well as a shovel to make a dent and all holes were to be 24” deep and 30” across (except the one for the crab which was 30” X 36”). Try it some time — it’s not fun. For planting day (step #4), we hired professionals to dig, ball, and burlap the plants and our crews then planted them. Our digging/planting crew consisted of Tim Curry, Rolla Wagner, Bill Zipperlin, Bob Gale, Wade Estep, Jeanne Blare, and Steve Laudon (substituting for his wife Allison who couldn’t work the last 2 Saturdays, but was in on the earlier moving). In the meantime, Elaine Fulkerson became head dead header and in due course of time pulled out all the dead annuals. What did Mary Yost do? I just tried to get everybody and everything in the right place at the right time. When you see these folks, do express your appreciation. A lot of this project was not fun, but I’m hoping in years to come the plants do well and reward us for our efforts.

Phase

Pha se

Pan Park-Curry

standard pediatric kit that was donated to the approved on Mine rva Lake Road, an application for a questions on the aquatic land lab in front of the school. The Planning and Zoning Commission recommend approval of the project. The Westerville Board of Education will provide indemnification documents to the Village.

Committee Reports

Community - None.

Streets - Dave Stahr reported that a contract has been signed for the leaf pick up. It will be totally subcontracted. The new leaf machine will be picked up on Friday. The two old leaf machines will be advertised and sold. He also advised that the drainage problem at the east end of Minerva Lake Road is on hold with Franklin County for further review.

Service - None.

Finance - Pam Park-Curry made a motion that the bills be approved for payment, seconded by Lynn Eisen Trout. All approved.

Safety - None.

Legislation - Bob Landy read Resolution 94-17, a resolution to re-establish the pay periods for regularly employed full time non elected salaried and hourly personnel. Bob Landy moved to accept the second reading of Resolution 94-17, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-21, a resolution to establish a Waterline Replacement Fund - Phase I, project CT258, entered into on the 23rd day of August, 1990 - in order to account for loan payments to the Ohio Public Works Commission. Bob Landy moved to accept the first reading of Resolution 94-21, seconded by Paul Hastings. All approved. Bob Landy moved to waive the second and third readings, seconded by Paul Hastings. All approved. Bob Landy moved for passage of Resolution 94-21, seconded by Lynn Eisen Trout. All approved.

Bob Landy read Resolution 94-22, a resolution to amend resolution 94-9, dated March 14, 1994, "Annual Appropriations Resolution" by transferring certain monies within the general fund and to declare an emergency. Bob Landy moved for passage of Resolution 94-22, seconded by Paul Hastings. All approved.

Bob Landy read Ordinance 3-94, an ordinance requiring the registration of all persons soliciting, peddling, polling, requesting joining an organization or other such activity going systematically door to door or within a systematic random going door to door shall register with the Village of Minerva Park Police Department prior to proceeding with such activity. Bob Landy moved to accept the second reading of Ordinance 3-94, seconded by Pam Park-Curry. All approved.

Bob Landy read Ordinance 7-94, an ordinance to forbid labor and transportation of machinery and materials during the night. Bob Landy moved to accept the second reading of Ordinance 7-94, seconded by Pam Park-Curry. All approved.

Bob Landy read Ordinance 8-94, an ordinance providing for the employment of a Director of Law for the Village of Minerva Park for the calendar year 1995, with an option to extend employment through 1996. Bob Landy moved to accept the second reading of Ordinance

Village Officials

None to report.

Planning and Zoning Commission

Pat Mangan, Chairman, reported on the last meeting of the Planning and Zoning Commission. A shed was approved on Minerva Lake Road, an application for a garage addition for Mr. Cannon on Minerva Lake Road was rejected, and a sign for Gordon Foods was approved. Steve Derringer, Principal, and Rick Oxley, Asst. Principal, at Hawthorne School were present to answer questions on the aquatic land lab in front of the school. The Planning and Zoning Commission recommend approval of the project. The Westerville Board of Education will provide indemnification documents to the Village.

Village Council Meeting (October 10, 1994)

General Topics

The meeting was called to order at 8:05 p.m. by Mayor Murray. The minute of the September 12, 1994 regular meeting and the September 26, 1994 special meeting were accepted as written.

Pam Park-Curry made a motion to appoint Jon Self to replace Mike Riggins for the remainder of his term as a council member, seconded by Lynn Eisen Trout. All approved. Mayor Murray swore in Jon Self as a council member.

Mayor's Report to Council - Mayor Murray reported that Lee Rupp will be home from the hospital on Wednesday. It was agreed to send flowers to Lee from the Village. The mayor complimented Dave Stahr on his organizing the leaf pick-up for this year. An application has been submitted to the Ohio Public Works Commission for Waterline Replacement - Phase III, which will include all of Minerva Lake Road, except east of the abandoned railroad.

Rolla Wagner of the Minerva Park Community Association, advised that their group had an election of officers. The officers are as follows: Rolla Wagner, President, Jim Kehl, Vice-President, Dee Young, Secretary, and Rella Kehl, Treasurer. There will be a new committee in the community association. It will be Information and Publicity, chaired by Jon Self. Dues collection will start soon and a new directory will be ready in late fall. The Halloween Party for Village kids will be October 29, 1994. The Children's Committee sponsored a Meet the Police Open House for children to come and meet our police officers.

Barry Brownstein, Asst. Fire Chief, showed council a standardized pediatric kit that was donated to the EMS from Children's Hospital.
8-94, seconded by Pam Park-Curry. All approved. Bob Landy made a motion to go into executive session to discuss a personnel matter, seconded by Pam Park-Curry. All approved. Council reconvened at 9:45 pm. Jon Self made a motion to withdraw Ordinance 8-94, seconded by Dave Stahr. All approved, except Bob Landy.

Bob Landy read Ordinance 9-94, an ordinance to mandate that anyone doing work for the Village of Minerva Park for pay as a non elected part-time, temporary, or seasonal employee must be listed on the Village payroll as an employee. Bob Landy moved to accept the second reading of Ordinance 9-94, seconded by Lynn Eisentrout. All approved.

Bob Landy read Ordinance 10-94, an ordinance amending the Village of Minerva Park, Ohio codified Ordinance Title 3, Section 34.12 (D) pertaining to the sick leave benefits for non elected full time employees of the Police Department. Bob Landy moved to accept the second reading of Ordinance 10-94, seconded by Paul Hastings. All approved.

Council will consider overnight parking on Village streets and incarceration of convicted persons at some future date.

**Old Business**

Dee Young addressed council about her neighbor's shed which now sits five feet from the lot line. Tom Neuburger, Building Inspector, will talk to the Martins and see when the shed will be moved eight feet from the lot line. Dee also asked about the demolition of the old garage. No demolition permit has been submitted yet by the Martins to the Village.

The legislative committee will meet to discuss the assessments for Jordan Road and write legislation for the assessments.

**Mayor's Corner** - We would like to apologize in advance for omitting the Mayor's Corner this month. There was not enough articles to make this a 10 page VILLAGER and there was not enough room to fit it in 8 pages. Please look for it in the next VILLAGER.

---

**Flora Says** (continued from page 3)

Also, if the bulldozers don't come too early in the Spring, we will again have the fine daffodil display in front of the pillars that Dick Busick planted many years ago. Dick also planted the pear tree in front of the Community Building. After he spent 8 hours digging the hole, he swore he would never plant another tree in Minerva Park.

**Halloween** - My riders this month were teenagers (Ani and Mama Laudon and Sarah Eisentrout) instead of the usual senior citizens and the loved all the decorations. There is not enough space in the village to describe all of them but the top four were:

- 2790 Maplewood-Ghosts in the tree, leaf bags, a witch, a halloween wreath and painted pumpkins.
- 2644 Lakewood (Stahrs)- A big basket full of pumpkins at the entry walk with a Jack O'Lantern on the other side leading up to the door with more baskets of pumpkins. The stepped wall in front of the door also displayed pumpkins. 2753 Wildwood (Eisentrout)-vampire and ghost windsocks, a pumpkin head ghosts in the tree and many window decorations. 3202 Minerva Lake- A big spider with legs, scare crow cut outs, window decorations and a wreath. Others that were admired but not listed last month are:
  - Lakewood- 2566, 2559, 2660, 2745, 2777, 2171
  - Lakewood Court- 5174
  - Alder Vista- 2816, 2799, 2784, 2679, 2645
  - Maplewood- 2668, 2764, 2515
  - Minerva Lake- 2611, 2701, 2777, 3245, 3128
  - East Shore- 5271, 2934, 2940, 2924, 5239
  - Berry Lane- 2921, 2934,
  - Ponderosa Dr.- 5311
  - Wildwood- 2777, 2780, 2639, 2623, 2510
  - Elmwood- 5310
  - Woodley- 2559, 2688, 2621
  - Park Lane Dr.- 5375, 5374, 5349

**Thanksgiving** - The mailbox at 2508 Minerva Lake (Jacks) shed its Jack O;Lantern cover and replaced it with one featuring a turkey and pumpkins. The Julians (2584 Lakewood) replaced their petunias with pansies and have now come full cycle since spring. They also put in a whole new front planting and Dom is thankful to be through digging. The flag lovers took down their witches and we not see at: 2515 Maplewood a turkey on a green background, 2767 Alder Vista a turkey dressed as a pilgrim, 2718 Alder Vista an orange horn of plenty on yellow, 2795 Lakewood a pilgrim windsock and 2709 Lakewood a colorful turkey on yellow.
Minerva Park
Squad Report

In October, Squad 119 made 152 runs; 22 runs into Blendon Township (exclusive of Minerva Park) and 13 into Minerva Park. 53 patients were transported to local hospitals.

Members volunteered a total of 1823 hours for the month, raising the total to 17,251 hours year-to-date. The leading volunteers for the month were John Owens (158 hours), Curt Gannon (127), and Dale Berkhouse (88). John also leads for year-to-date service with 1321 hours.

The subject of the November training meeting covered the highlights of treatment information that have been the subject of the other nine meetings this year. Our Medical Director, Dr. Matt Chase, is preparing changes to our treatment protocol to permit the carrying of additional medications for patients suffering from asthma and diabetes.

In 1995, it is expected that new state regulations will take effect, making it possible for Squad 119 to carry an automatic defibrillator. These devices would permit the squad to deliver countershock therapy to patients in cardiac arrest sooner than what might be required to wait for an Advanced Life Support unit to arrive from Westerville or Columbus. Research has shown that the sooner a defibrillator is used, the higher the survival rate. An automatic defibrillator costs approximately $7000.

The Minerva Park Time Capsule
Did you know ...

In 1962, the Community Building, as it is known today, was added to the structure of the same name. Rodney McCalla was in charge of the excavation, installing the footers and the laying of blocks. The steel beams had been fabricated by Gid Mussio and Caesar Cacciatore at the business where they were employed. Tectum, a special material made from excelsior, lime and cement, was used for the roof; it had to be replaced several years later. Ernie Limes did the plumbing, Harry Hohn, a non-resident of the Park, did the electrical work. Aire-Flo donated the furnace. Larry Hicks and his business partner, Don Wilcox, did most of the finish work, which included staining and painting; they had considerable assistance.

Councilman David Cross laid the tile, which Councilman Bud Saunders had obtained at a greatly reduced price. Bud also provided the fire-damaged water cooler, which Mel Saville repaired. Volunteers cleaned up the facility.

Mayor Wenzel was in charge of the dedication of the new building on September 16, 1962. Municipal Court Judge Horace W. Troop helped to make that a special day in the history of the Park.

PARK PERSONALITY

LYNN EISENTROUT

Lynn is one of the best known persons in the Park. President of our Village Council, she, husband Dave and two daughters live in Wildwood Rd. She is actively concerned with everything that goes on in the community. It's people like her who make our village desirable a place to be.

If it wasn't for Bonnie Lime's daily mail wouldn't be worth looking at.

LARRY & ERNIE

Down at Stan's Matinee Daily 1-2 No cover

I burn my name on the bottom of this book that I make for free first thing I do is scratch that off. Lynne gave him 2 bushels of apples and he didn't even offer me the corn.

Sissy Losko, head honcho's at Stan's says she's considering requiring reservations as a way to keep them out.

AINT YOU LUCKY YOU'VE GOT A GENIUS LIKE ME TO SOLVE STUFF?

The two pillars at the Village entrance are beautiful still after 100 years. They were built when traffic on Cleveland Ave. consisted of street cars and horse drawn vehicles now and then. Many people have been born and in their time passed or since those rugged markers were dedicated. But now due to the proposed widening of Cleveland Ave., we are told they must be moved in spite of our reverence for these aged stones, they are a driving hazard. One must pull almost into traffic in order to see oncoming cars. The estimated cost of dissembling, moving and re-assembling is awesome. This suggestion which will probably be enthusiastically accepted as was the Westridge Rd. Extension is tendentious. Separate the buttresses from the pillars bearing the image of Minerva. The pillars could probably be moved integrally. Place pillars on either side of community building driveway or the rubble from the buttresses could be used to re-enforce the leaning dam and extend Maplewood drive from Lakewood to Minerva Lake Road. Along the east bank of the Lake, folks living at the end of Lakewood now drive a mile and a half to the community field, only a block away.

PROBLEM

VILLAGE EDITOR
CHRIS CAMERON

The most important feature in the Villager is the report of Village Council meeting held on the second Monday of each month in the November issue. We read about the September session which was three months past. THIS IS NOT NEWS, IT'S HISTORY. We are not criticizing anybody. A solution for this problem is needed. Betty Beatrice, our Village Clerk is not a reporter. She is loaded down with official duties and is very busy. Chris Cameron, Villager Editor has all he can handle in collecting items, composing the paper and seeing that it is printed and delivered. He is not paid for his work. There is a remedy. We need a reporter to attend Council meetings. A summary of the main agenda is all that is necessary. This could be a helpful opportunity for some high school student who wants to be a media major in college. Several reporters would be better. Our Police and Emergency reports might contain more detail. Vital statistics, goings on and goings out is a family paper. We like to know what our neighbors are doing. Your offer to help would certainly be given consideration.

CALL EDITOR CHRIS CAMERON AT 898-7863 FOR AN INTERVIEW
Police News
10/06 Burglary in Progress, dispatched to the 5300 block of Ponderosa Drive on a burglary in progress. False Alarm.

10/27 Theft, person(s) unknown did ransack two vehicles while parked in the 2600 block of Alder Vista Drive. One key was taken.
10/31 Stolen Automobile, person(s) unknown did remove a 1973 Corvette from a garage in the 2500 block of Maplewood Drive.
10/31 Theft, person(s) unknown did remove a Cellular Flip Phone from a vehicle parked in a driveway in the 3000 block of Minerva Lake Road.

Neighborhood Notes
Please read the following information regarding emergency phone calls:
Residents that want immediate police response have been dialing 882-1408 and leaving a message on an answering machine.
If you have a Police, Fire, or Medical emergency, dial 9-1-1.
If you need a police report, or want to report suspicious activity, dial 882-1223.
882-1408 is a non-emergency number for the Police Department. If a resident has a question or needs information and it is not necessary to speak to an officer immediately, dial 882-1408, leave a message on the recorder and an officer will return the call as soon as possible.
