MPCA Highlights

To our new residents, we would like to cordially invite you to the next MPCA meeting. This meeting will be held on January 11th at 7:30 p.m. at the Community Building. Refreshments will be served. The purpose of the meeting is to inform our new residents of the Community Association and its activities for 1995, and also to give out material to newcomers missed during the year by our Newcomers Committee.

Upcoming events for the MPCA: For the January meeting we will have a representative from the County Commissioners Office to explain the new "Geographic Information System." In February, we will have a representative from the Blendon Township Police Force to explain the "Block Watch" program to the association.

MinervaFlora Committee - We would like to thank everyone who participated in the Festival of Lights contest. The winners were:

- Best Outdoor Tree: Craig & Liane Buckingham, 3202 Minerva Lake Road
- Best Entrance Way: Carmon & Ginny Walker, 2954 Kerrwood Drive
- Best Picture Window: Ray Beougher, 2621 Maplewood Drive
- Best Religious Theme: John & Patty Leibold, 3210 Minerva Lake Road
- Best Whimsical Display: Paul & Junis Madru, 5292 Westbridge Road
- Best Outline Effect: Dave & Penny Roberts, 2545 Woodley Road

Next year, we will have the following categories: Best Daytime Display, Best Winter Fantasy, Best Religious Theme, Best Outdoor Tree, and Best Entrance Way.

Fourth of July Committee - In 1995, we will be having a celebration to celebrate the 100th anniversary of the Old Minerva Park. If you would like to help, please call Mike Cirivello. Mike did a great job with last year's 4th of July parade, come out and join the fun.

MPCA Council Report - Rolla Wagner reported our mayor is looking into having a "Senior Citizen Center" in Minerva Park. A preliminary request for funding has been made to the Ohio Regional Directory; Jack Murray will keep us informed on the details. Leaf pickup was well done and everyone was happy (the weather was great too). Council approved two variances; to add a garage and to build a home on a vacant lot. CPR training will be available in 1995 if you are interested please call the squad for details. The ordinance for overnight parking in Minerva Park is being reviewed, please call or write to Mayor Jack Murray with your questions and comments (read the Mayor's Corner on page 3 for more information).

January Calendar

- 01 New Year's Day
- 05 Planning and Zoning Meeting, 7 p.m.
- 09 Village Council Meeting, 8 p.m.
- 11 MPCA Meeting, 7:30 p.m.
- 12 Babysitting co-op RSVP Deadline
- 19 THE VILLAGER Deadline, 5 p.m.
Village Council Meeting (Nov., 14 1994)

General Topics
The meeting was called to order at 8:02 p.m. by Mayor Murray. The minutes of the October 10, 1994 regular meeting were accepted as written.

Mayor's Report to Council - The suspect in the recent car thefts is in custody. He lived near 161 and Cleveland Avenue and had a prior record of car thefts. • The City of Columbus sent the Village a repair bill for the amount of $19,416 for the 1993 waterline breaks. The Mayor Murray met with Mayor Lashutka and he agreed to reconsider the bill. • The Ohio Municipal Joint Self Insurance Pool, through which the Village has its liability insurance, has suggested a driver education course for the EMS and to update our traffic control standards. • The Mayor will be applying for 2 additional police officers through COPS, U.S. Department of Justice. • Columbus Southern Power is replacing poles in some locations in the Village. • Mayor Murray discussed our present codification of ordinances and the problems and discrepancies with it. The Mayor asked Council to consider re-doing the codification with Justian Publishing (cost is about $8000). Bob Landy made a motion to continue negotiations with Justian Publishing; motion carried.

The MPCA will have the new directory ready in mid-December. The large plantings at the entrance of Lakewood have been moved to their new home south of the playground. The MPCA's Newcomers Committee is still in need of a chair person, contact Rolla Wagner (895-5130) if you are interested.

Village Officials
Karl Garrabrandt reported that the EMS will be updating its drug license. There will be a number of changes in 1995 in state regulations regarding EMS procedures.

Bob Hillard added that the suspect in custody has confessed to all thefts and that all cars have been recovered.

Planning and Zoning Commission
A fence was approved for the Hastings at the last meeting.

A shed permit application by Jon Self needs a variance to sit closer to the property line than 8 feet. After a discussion, Dave Stahr made a motion to approve the variance request; motion carried.

Committee Reports
Community - Lynn Eisenbrot advised their committee is continuing to gather estimates on removing the pillars on Cleveland Avenue.

Streets - Dave Stahr reported that the leaf pick-up continued through November 28th. There is a need to store the leaf machine for the winter. Dave is looking for a suitable storage space. The old leaf loaders can be sold as soon as he determines a value for them. He has been looking at lake restoration with the Army Corp of Engineers. He has secured three bids for soil and depth survey. Jon Self made a motion to approve the engineering study with the price not to exceed $6000 for a current depth and soil testing and to include a study of Kilbourne Run; motion carried.

Service - Jon Self received some information regarding cable service and will investigate further.

Finance - Pam Park-Curry made a motion to approve the bills; motion carried.

Safety - Mayor Murray called the council to executive session for 54 minutes to discuss a personnel problem.

Legislation - Bob Landy read the third reading of Ordinance 3-94, an ordinance requiring that all persons soliciting, peddling, polling, requesting joining an organization, or other such activity going systematically door to door or within a systematic random going door to door shall register with the Village of Minerva Park Police Department prior to proceeding with such activity. Bob moved that Ordinance 3-94 be accepted; all approved, then he moved for passage; it was passed.

Bob Landy read the third reading of Ordinance 7-94, an ordinance to establish hours for labor and transportation of machinery and materials. Bob moved that Ordinance 7-94 be accepted; all approved, then he moved for passage; it was passed.

Bob Landy read the first reading of Ordinance 8-94, an ordinance providing for the employment of a Director of Law for the Village of Minerva Park for the calendar year 1995 with an option to extend employment through 1996. Bob moved that Ordinance 8-94 be accepted; all approved.

Bob Landy read the third reading of Ordinance 9-94, an ordinance to establish that anyone doing work for the Village of Minerva Park for pay as a non elected part time, temporary, or seasonal worker must be listed on village payroll as an employee. Bob moved that Ordinance 9-94 be accepted; all approved.

Bob Landy read the third reading of Ordinance 10-94, an ordinance amending the Village of Minerva Park, Ohio codified ordinance title 3, section 34.12 (D) pertaining to the sick leave benefits for non elected full time employees of the Police Department. Bob moved that Ordinance 10-94 be accepted; all approved, then he moved for passage; it was passed.

Bob Landy read the first reading of Ordinance 11-94, an ordinance levying special assessments for the
improvement of Jordan Road, Park Lane, Park Lane Court, and Park Lane Drive by construction of the roadway and the installation of a storm sewer. Bob moved that Ordinance 11-94 be accepted; all approved.

Bob Landy read the third reading of Resolution 94-17, a resolution to re-establish the pay periods for regularly employed full time non-elected salaries and hourly employees. Bob moved that Resolution 94-17 be accepted; all approved, then he moved for passage; it was passed.

Bob Landy read the first reading of Resolution 94-23, a resolution to transfer funds from the Building Bond Trust Fund to the General Fund. Bob moved that Resolution 94-23 be accepted; all approved.

Bob Landy read Resolution 94-24, a resolution to make supplemental appropriation to the 1994 appropriation by re-allocating funds appropriated by Resolution 94-9 and to declare an emergency. Bob moved for passage of Resolution 94-24; it was passed.

Bob Landy read Resolution 94-25, a resolution to amend Resolution 94-9 dated March 14, 1994, "Annual Appropriation Resolution" by transferring certain monies within the General Fund and to declare an emergency. Bob moved for passage of Resolution 94-25; it was passed.

Bob Landy read Resolution 94-26, a resolution designating the depository for active and interim deposits of monies of the Village of Minerva Park, Franklin County, Ohio, and award such monies and to declare an emergency. Bob moved for passage of Resolution 94-26; it was passed.

Bob Landy read Resolution 94-27, a resolution authorizing the Clerk Treasurer to invest $100,000 in village funds in a certificate of deposit for a term of one year at the highest rate available at State Savings and to declare an emergency. Bob moved for passage of Resolution 94-27; it was passed.

Old Business

Council briefly discussed the ordinance pertaining to parking on village streets all night. It was decided to put some information on this in the VILLAGER so residents may respond (refer to the Mayor's Corner for more information).

New Business

Lynn Eisentrouth asked Pat Mangan, Planning and Zoning Commission Chair, to call the Frickie's who live next door to the new Gordon Foods regarding concerns about the business.

Lynn Eisentrouth made a motion that council members have a key to the Village Office to use the photo copy machine, motion carried.

Mayor’s Corner

Contributed by Jack Murray

So, you’ve spent all your money on holiday gifts, celebrations and travel. Now you can start saving for next year!

Columbus Southern Power is beginning to replace the poles for their electric lines. I don’t know how long this will take, but if you see people behind your house in the utility easement, that’s who they are--I hope!

Council is still struggling with overnight parking on the streets. We have an ordinance that prohibits parking on the street from 12 midnight to 9:00 a.m., but it has never been enforced. What’s your opinion--should the ordinance be enforced or repealed? A phone call (882-8557) or note to me would help.

The Solid Waste Authority of Central Ohio has announced the closing of the trash burning power plant as of December 31, 1994. This means that our trash will go into a landfill. I’m not sure how this arrangement will affect the cost to a homeowner, but I’m hoping the cost won’t increase. We’ll know more soon and will keep you informed.

There is a federal grant program administered by the United States Department of Justice that will provide funds for smaller communities to upgrade their police force by paying 75% of salaries and benefits for newly hired officers for a period of three years. If we submit an application to participate in this program, I’ll let you know what happens. In the meantime, if we can find qualified police officers, we will begin interviewing soon in hopes of having our second full time officer on duty in January.

Our lakes are filling up with silt caused by the water runoff from our Columbus neighbors to the west. The continued development across Cleveland Avenue has aggravated this problem since much of the storm water runoff must come through our village. Although studies have been made in the past, there has been little or no positive action taken until now.

Councilman Dave Stahr has put together a program, working through Congressman Kasich’s office, which may provide us with the help we need to have the silt removed from the lakes and to shore up the banks of Kilbourne Run to slow the erosion. It is believed that most of this work would be accomplished by the U.S. Corps of Engineers with a minimum cost to the village. The lakes have been checked for depth to determine the amount of silt that should be removed, and samples will be taken to determine the toxic content to satisfy the EPA which will, in turn, determine what must be done to dispose of the dirt.

The City of Columbus, Water Division, has billed us for repair of the 1993 water breaks in the amount of (Continued on page 4)
Flora Says — One day early November I drove onto Cleveland Avenue from Minerva Lake Road and saw lots of Jack O’Lanterns in a tree of the house on the left and a lighted Santa at the house on the right. The seasons do blend, but whatever happened to Thanksgiving? On Turkey Day I drove around to see what had been done since I wrote my column for last month’s VILLAGER. All I came up with was new attire for some concrete geese; a handsome pilgrim outfit on Maplewood and 2 Indian maiden outfits on Lakewood. Unfortunately I lost the paper with the addresses, but if one of these outfits was your doing, consider your goose admired.

It certainly was a great long lasting Fall with many perennials and annuals still in bloom when December rolled around. The dusty miller, planted in masses like at Grosh’s (Briar Rose and Maplewood), was very effective. Those plants in the bed in front of the Community Building entrance are ornamental cabbages and give white, pink, and purple color in the late Fall and early Winter. A zebra in which looks like a small hollyhock with purple bloom survived the 1st week of December. There is a lot that can be admired in late October and November besides mums and pumpkins. While we enjoyed the advantages of a warm Fall the plants may suffer. They should have been "hardening off" during this period instead of blooming. If the temperature drops too quickly before they do, many will suffer severe or fatal injury. At this point we can do nothing but hope.

The other day a neighbor mentioned to me that a visitor to her home commented that she had no idea Minerva Park was such a beautiful area. Since this is a frequent comment, we felt to discussing what makes it so beautiful. First of all, the houses are "one of a kind." Secondly, the winding streets with houses set at different locations on lots, rather than lined up in a straight line as is true in so many of the modern subdivisions in the Northland area. Third, are the trees — big ones — and mature plants along the foundations of the homes and in other beds. Fourth is that we are not all landscaped by the same firm, so there is a lot of individuality shown in the plantings and in general they are well groomed. Finally, with few exceptions, the houses, yards, and driveways are well maintained. Some nice early Spring day you may want to drive through some neighboring subdivisions, and when you come home you will be happy you chose Minerva Park as a place to live.

Our residents are very proud of their homes and are free with their compliments on the appearance of the public areas, but I would like to mention that your MinervaFlora Committee is always in need of helpers. All too often when I ask someone to help the answer is "I have my own weeds to pull." We do need some folk with strong backs, but we have lots of less strenuous jobs. For example, taking deadheads off plants, thinking up ideas for Flora to write about, watering, telephoning, planting annuals, sharpening tools in the Fall and spraying them with WD40. If none of these projects appeal to you, the Community Association, of which we are a part of, needs people to call on new home owners, to put out signs about upcoming events etc. We are all busy people, even us retired folks, and my plea is while your New Year’s resolutions are on your mind commit 1 hour (or 2, 3, or 4) this year to your community. Plan to come to work day (its date will be printed in a future VILLAGER after it has be set) and sign up then to be on call for other projects as needed. We won’t twist your arm to do a lot and the more volunteers we get, the less time each needs to spend and the better our community will be.

Mayor's Corner (continued from page 3)

$19,416.67. We appealed, noting that we are making a continuing effort to replace our old water lines with new ones. Our plea was rejected, so we went to a higher court. We were granted an audience with the Columbus mayor. No word yet on his decision.

As of the date of this writing, we have had very nice weather considering the season. Do you think the folks who went south for the winter will be sorry they left? I doubt it! If the good weather holds, maybe we can get an early start on replacing the water lines scheduled to begin in late February or early March.

The furnace in your community building has departed the land of the living. The repair people said it couldn’t be repaired to operate safely, so you bought a new one. (You would think there would be enough hot air from the Village officials to keep the place warm, but there wasn’t.) I guess we’ll have to try harder.
In November, Squad 119 made 181 runs; 27 runs into Blendon Township (exclusive of Minerva Park) and 12 into Minerva Park. 53 patients were transported to local hospitals.

Members volunteered a total of 1782 hours for the month, raising the total to 19,033 hours year-to-date. The leading volunteers for the month were John Owens (an incredible 270 hours), Renee Wood (176), and Allison Bookless (88). John also leads for year-to-date service with 1591 hours.

The Department wishes you a happy holiday season. With the change in seasons, the nature of our emergency runs are changing as well. Especially notable has been the increase in difficulty breathing runs and choking runs. Residents who would like to attend a CPR course during 1995 should call Barry Brownstein at 882-1080.

Pell mell — An adverb meaning in a jumbled, confused manner; helter-skelter.

**Classified Ad**

For Sale. Old — Cancelled checks of the Village of Minerva Park are for sale to the highest bidder. Bids will be accepted in writing up until February 1, 1995. Please mail to P.O. Box 29070, Columbus, Ohio, 43229. For more information, contact Betty Beatrice at 882-5743.

**The Minerva Park Time Capsule**

Did you know ...

David Cross deserves the lion’s share of credit for the Park’s achieving its splendid swimming pool. He called a special organizational meeting for January 23, 1963. The objective of the Minerva Park Swim Club was “to provide clean, healthful swimming and recreation for and community at a minimum cost.” The club was incorporated on March 15. Roy Metz and Gerald Stanley did the legal work gratis. Being a member of the Village Council, Cross had helped a developer, Karl Slabaugh, obtain the land.

Jim Patterson, a nationally known former OSU diver, designed the pool. Fred Wright, a Park resident, designed the cement block building which featured a unique style. Gid Mussio and a friend prepared the steel beams which their boss had donated. The total cost of the pool and the building was about $77,000.

At the May 19 organizational meeting, 55 charter members were in attendance. Membership was limited to 400 families or its equivalent. Elected to 3-year terms as trustees were David Cross, F. A. Wright, and Ruth Evans; 2-year trustees were Lee Rupp, Mrs. Beth Erdman and Mrs. Ethel Frohlich. One-year trustees were William Rickley, Harold Black, and Emil Malinosky.

Key people in the Bond solicitation were Mr. Rickley, Mr. Lakin, Mrs. Ruth Sullivan, and Mr. and Mrs. Jack Murray. The Women’s Club made a donation of $100. Myrtle Davis bought $3,000 worth of bonds! By mid-May, there were 131 charter members.

The first officers were elected on May 26. They were David Cross-president; Fred Wright-vice-president; and Ruth Evans-secretary-treasurer. Hired as the pool’s first manager and head guard was Bob Jackson who had been employed at the Morningside Pool. Assisting him as guards were Gary Allen, Richard Deemer, and Joy Wood. Ernie Limes installed the water line from the pool to the building.

(To be continued next month ...)

An Excerpt from:

"A History of Minerva Park 1895 - 1992"
Dividend reinvestment plans (DRIPs) allow automatic investment of stock or mutual fund dividends for the purpose of gaining more shares, sometimes at a discount and in many cases without fees.

DRIPs are actually a form of "dollar cost averaging," a strategy of depositing equally amounts of money into a stock or mutual fund at regular intervals, to be used to purchase more shares when prices are down and fewer shares when prices are up. Dollar cost averaging does not guarantee you a profit or remove the risk of loss, but with this technique an investor can often substantially increase holdings over time.

For example, for each share of stock or mutual fund paying a 10 percent dividend, an investor would have 2.68 shares over 10 years.

When investing DRIPs, keep in mind that plans differ in several important respects. Consider the following:
1. What is the performance history of the issuing company? You examine the earnings prospectus.
2. What is the number of shares that must be purchased? Some plans require that investors buy a specific number of shares before they may participate.
3. Are there reinvestment fees? Many companies do not impose fees, other may charge up to $10.00 per transaction.
4. May additional shares be purchased for cash? Some plans allow investors to take further advantage of dollar cost averaging by investing an additional $10.00 dollars or more per month. DRIPs offer a sound opportunity for long-term accumulation.

Neighborly Notes
Do you have trouble finding and keeping babysitters for various occasions? Would you like a no-cost alternative? Then become a charter member of the new Minerva Park babysitting co-op.

A babysitting co-op is a group of families that trades babysitting services for each other. The services are paid for in "co-op" bucks. You can earn co-op bucks by caring for other member's children when it's convenient for you, and then using your bucks to purchase the services of other members. No one is ever under any obligation to agree to care for another family's children; but with several families in the group, chances are that someone will be available for that special night out or a daytime shopping trip.

Meetings are held monthly at a member family's home. This gives the parents and children in the group a chance to get to know each other. The host family may provide light refreshments or it can be "potluck." This can be decided at the organizational meeting.

The first meeting will be held at the home of Tim and Rebecca Becker at 3192 Minerva Lake Road on Tuesday, January 24 at 6:45 p.m. The Beckers belonged to a babysitting co-op in Clintonville (North end of Columbus) before moving to Minerva Park in 1993. RSVP to 895-5415 by January 12, so that the number of interested families can be counted. If interest proves to be too great, a second group may need to be started in order to keep the meetings manageable.
Hi Neighbor

NEW MANAGER

DAVID LIMES

MGR. MINERVA LAKE GOLF COURSE 1968-75 AND COMES HERE AFTER SEVEN YEARS WITH AERO SPACE IN BALTIMORE MD.

I’LL BE LEAVING MINERVA PARK SOON AND MOVING NEXT DOOR TO LEE WERNER, WHITE PEACE AND ALL YOU’LL UNDERSTAND. I HOPE WHY I DON’T RETURN YOUR GREETINGS AS I DRIVE BY IN MY ROLLS ROYCE PICK-UP, WE ARE THE ELITE ASSOCIATE ONLY WITH THOSE IN OUR CLASS. I’LL EXPLAIN JUST ONCE SINCE I’M A MAN OF FEW WORDS. IN TIMES MAIL (BOOK RATE), I RECEIVED NOTICE FROM TIME MAGAZINE THAT I HAVE JUST WON ABOUT A TRILLION DOLLARS. ALL I HAVE TO DO IS SPEND $25 FOR A RETURN STAMP AND DRINKS WILL DUMP MONEY ALL OVER MY FRONT STOOL NO MORE SLAVERY OVER THIS PAGE AND REGRESS THE NEIGHBORS POTFOOD-ADIEL.

I DESERVE IT.

UTOPIA

MINERVA AMUSEMENT PARK 1895

ENTRANCE

MINERVA PARK

IN A BROCHURE PUBLISHED BY THE COLUMBUS RAILWAY COMPANY IN 1900, I FOUND TWO CURIOUS PHOTOGRAPHS PERTAINING TO OUR PARK, BOTH OF WHICH I HAVE SKETCHED HERE. FIRST, THE ENTRANCE PILLARS WE NOW HAVE ARE NOT THE ORIGINAL ONES, THEY WERE AT THE TRACTION TURN IN FROM CLEVELAND AVE. THIS WAS NOT A ROAD. SECOND, A LARGE BUILDING TITLED “PARK GATEWAY” WHERE IT WAS LOCATED IS NOT INDICATED. WAS IT AT CLEVELAND AVE. OR BACK AT THE AMUSEMENT AREA NEAR THE LAKE? THERE SHOULD BE A MAP SOMEWHERE THAT COULD CLARIFY THE SITUATION. THE JOHNSTON REALTY CO. CREATED OUR PRESENT LAYOUT IN THE EARLY NOBOS.

LARRY 

ERNE

HE'S MAD BECAUSE I DIDN'T GIVE HIM ANYTHING FOR CHRISTMAS BUT HE DIDN'T USE WHAT I GAVE HIM LAST YEAR A CEMETARY GRAVE.

AND WHAT WAS THAT?

AND WHAT WAS THAT?

F.M.

BOTH OF THEM GO TO THE SAME BARBER SHOP. THEY GOT A NEW BEAUTIFUL BLONDE BARBER, SHE BUTCHERED BOTH THEIR NOBBINGS. THEIR WIVES WERE FURIOUS. WHY ASKED RENE, LARRY'S WIFE, AFTER SEEING WHAT SHE DID TO ERNE, DID YOU LET HER PRACTICE ON YOU? SHE WAS SO CUTE REPLIED LARRY, THAT I DIDN'T WANT TO HURT HER FEELINGS, NOW IN ADDITION TO A FUNNY HAIRCUT HE HAS FUNNY BUMPS ON HIS HEAD.
