It's time YOU got involved in your community ... In anticipation of the MPCA electing new officers and appointing committee chairs at its annual meeting on September 11, the nominating committee is searching for candidates for all offices. Bea Hulbert has already served as “acting” secretary, inasmuch as her 2-year limit expired in September 2001. The Secretary attends MPCA meetings, takes the minutes and distributes them at subsequent MPCA meetings. We are also looking for various committee chairs. If you are interested in holding an office or serving on a committee, please call Lynn Eisenentrou at 891-0895. Shown here are some of the opportunities where you can add your value to our community ...

A Message from Your MPCA President
By Lynn Eisentrout

The Northland Fourth of July Parade, sponsored by the Northland Community Council, was quite a success. Minerva Park had five entries: The Mayor's car, the EMS Squad vehicle, the golf cart, Jim Delfino's antique car, and a Patrolman's car ... Many thanks to Renos Floral & Gift Gallery and to Jon Self for donating flowers, mulch, and plants to decorate the cart. The crowd this year was larger and more responsive than last year, as those of you who attended the parade can attest.

The Northland Community Council is composed of 25 neighborhood civic associations and 2 service organizations, representing more than 93,000 residents in the Northland area.

Council met on July 8 with two members absent. A letter of resignation from Darrell Kem was read and accepted. Darrell has accepted a position with the Department of Defense, which has a policy of forbidding employees from holding any political office. If you have any interest in holding a seat on village council, submit a letter to me or to any member of council, stating your interest and qualifications.

The Safety Committee chairman read letters of commendation for police officers Boyers and Silverman.

Flushing of the fire hydrants has been completed. There are several hydrants hidden from view because by bushes, and residents are requested to trim back these bushes so the hydrants can be readily seen by emergency personnel.

We have prepared specifications for slurry sealing Park Lane Court, Park Lane Drive, Maplewood Drive, and Lakewood Drive. We had hoped to complete this sealing program this year in late August or early September, but because of school beginning in late August this year, we don’t want to block the streets because of the need for school bus traffic. When the project is scheduled, the streets will be closed from 8:00a to 5:00p. Notifications will be made via door hangers approximately 2 days in advance. Any “special needs” requirements should be made known to me in writing.

Several residents expressed their concerns with the establishment of a group home on Lakewood Drive. Both MRDD and Children Services will be involved with this project. We were informed that, because of federal antidiscrimination laws, group homes of this type for 5 or fewer cannot be prohibited. The total of 5 includes both residents and caregivers at the address.

An unusual curb and gutter upheaval on Jordan Road, probably cause by intense heat, is being repaired.

Council approved $6,500 for street repairs and up to $3,000 to televise the sewers on Park Lane Court.

- Resolution 2002-10 - Passed - This resolution authorized an agreement between MP and the Board of County Commissions for a community block grant.
- Resolution 2002-11 - Approving the reimbursement of up to $3,000 for child care expenses, payable to the Clerk-Treasurer.
- Ordinances 02-2002, 03-2002, 04-2002, 05-2002, and 06-2002 are ordinances revising the Planning & Zoning Code. They were presented but not acted upon.

[Editor’s note - Put out for public bid was the contract for refuse collection.]
