Fall is well underway. Soon MPCA volunteers will be canvassing door-to-door to deliver the new resident directories and to collect the annual $10 Community Association dues.

Join us for fall clean-ups on Saturdays, October 5 and 19, at 9am! Volunteers please bring rakes, clippers, etc.

In addition to MPCA children’s parties, we hold one of the biggest block parties I’ve ever been a part of—Founders Day!

These are only a few of the events sponsored by your MPCA. Come and be a part of one or more throughout the year!

**Look for new Resident Directories in October. Thank you for your $10 Community Association membership dues!**

A Message from Your MPCA President

By Lynn Eisentrout

On November 5, village residents will have a 5 mill levy to consider. This is a REPLACEMENT of a levy that was approved by the voters in 1997. Approval this November only extends the previous levy. This levy will generate 50 cents per $100 of property valuation in revenue. This levy is a replacement, which means that the homeowners’ property taxes will only increase by the revised property valuation that we all receive from the Franklin County Treasurer’s Office. This is not a renewal levy, where the amount of money that the village receives each year actually goes down because the rate remains the same even though property values go up.

We have asked for a replacement levy this year because of increased operational expenses, especially in the area of law enforcement. Because of our surrounding areas, our officers are facing a lot more serious crime and spending more time in court and enforcing our vehicle laws. This levy helps to pay for your 24-hour police protection and has led Minerva Park to be listed as one of the safest communities in Ohio.

This levy also allows us to continue to have an EMS vehicle on staff here in the village, it provides money for us to maintain park and lake areas … waterline, sewer, and street repair … and contribute to children’s and senior programs. It is a worthwhile levy, and I would ask that everyone who would like to see Minerva Park continue to get better to vote “yes” for this levy on November 5.

MAYOR’S REPORT
By Jack Murray

It’s hard to believe that the leaves are falling already. I’ve just completed getting my back yard cleaned up. (It’s not that I’m lazy - I just don’t like to disturb the squirrels!)

We have a new council person to fill the vacancy when Darrell Kem resigned ... Donald Cox, who lives on Lakewood Dr. He has been a Minerva Park resident since December 1998 and works at ATX/CORECOMM. He has been a member of the pool board for the past 2 years.

We have signed a new contract with Rumpke Waste to collect our trash for the next two years. We also had a bid from Waste Management. We’ve had no experience with Waste Management and the past year’s experience with Rumpke has not been completely satisfactory. However, the two bids were rather far apart, with Rumpke at $6,093 monthly and Waste Management at $8,313 monthly. The difference would be $53,302 during the 2-year contract. With this difference and Rumpke’s pledge to provide better service, we decided to go with the lowest bidder.

We also approved a contract with McKinney Landscaping to provide the leaf pick-up for this year, starting approximately October 15 and continuing through December 15. These dates may be adjusted to accommodate the tree schedule.

Two candidates for office asked to speak at our council meeting—Wade Steen cancelled, and Lori Tyach, candidate for the 21st district State Rep., spoke briefly about her commitment to serve the people of our village, if elected.

We have not completed the street repairs but hope to be done by the time you read this.

The program to televise our sewer systems has revealed some tree root problems and some deposits of grease. I ask that everyone refrain from allowing any significant amounts of grease to go down your drains. The great from normal washing of dishes, pots, and pans should not be a problem.

Planning & Zoning approved a fence, council approved a variance for expanding a garage, and a sign was approved for the car lot at Old 161 & 3C Highway.

There was a discussion concerning the delivery of the Village, which continues to be unsatisfactory. Mailing the newsletter is an option being considered.

Ordinances 03-2002, 04-2002, 05-2002 06-2002 and 07-2002, pertaining to zoning, were approved for acceptance of the second reading.

Our Police Chief, Bobbie Hillard, has just completed 25 years serving as the protector of our village. Having known Bobbie for most of these years, I can attest to his dedicated service. I hope he stays for another 25!
