The Minerva Park Summer Music Series will be presented outside, at the Minerva Park Community Building. Join us for three free concerts, held on Sundays from 5:00p to 6:30p:

- **June 20** - “Standard Time Band,” featuring oldies big band and small group jazz
- **July 11** - “High Street Stompers,” featuring toe-tapping Dixieland jazz
- **August 8** - “Hickory Wind Band,” featuring country and pop music.

Transportation is available for needy Minerva Park residents. Please contact Sidney Townsend (890-2427) at least 4 days in advance of a concert to schedule transportation.

Bring your own lawn chairs and enjoy some great summer music. The concerts are sponsored by your Minerva Park Community Association. Thank you for paying your $15 dues!

**NO Grass Clippings**

When you sweep or blow grass clippings or any yard waste into the streets, it usually ends up flowing down the street and clogging the storm sewers. Either sweep up your grass clippings from the street and dispose of them properly or scatter them about your own yard where they will break down and provide nutrients for your lawn.

If you hire a lawn care company to mow your lawn, please make them aware of our rules prohibiting this practice, and thank you for your neighborliness in tending to your own property responsibly.

**MAY DATES**

- 6 (7:30p) ........ Planning & Zoning
- 8 (8a) ............ Council Work Session
- 8 (noon) ......... Flower Pick-up
- 10 (7p) .......... Council Meeting
- 11 (5p) .......... Mayor’s Court

Springtime in Minerva Park

Minerva Park

Underwritten by your MPCA dues
MPCA News

From Your MPCA President

Reading back through old Villagers, I happened upon a Ray Beougher drawing from May 1990. For those of you who don't know, Ray was a resident who drew caricatures for the Villager. I did not have the pleasure of knowing him, but I have heard much about him. His drawings are on the Minerva Park note cards. This particular drawing mentions the golf course and swimming pool and has the headline "a country club right in our own back yard." How true this is! Let's not stop there. We also have two lakes. We are close to great shopping, restaurants, and freeways and we have some great natural areas to explore. Last week, my husband spotted 3 great blue herons in the trees near our house. What a great place to live!

Coming this summer is our new music series with 3 summer concerts (info on page 1). The MinervaFlora spring garden clean-up was well attended, and as a result a few hard-working volunteers got a lot accomplished. We are always looking for interested people who would like to help us keep the gardens and the Village beautiful.

The MPCA would like to welcome Marie Takacs as our new Newcomers Chair. She will be greeting our new residents, so give Marie a call (891 2532) if you know of any new neighbors. Thank you, Marie, for stepping up and helping out. Also, if any of our residents would like to include advertising for their businesses in our newcomers bucket, please give Marie a call.

Please remember to pick up your Mother's Day flower sale plants at the Community Building on May 8 at 1 p.m. Although life is busy, take some time to slow down, watch a pair of mourning doves make their nest, have a walk through the neighborhood for a look at and a sniff of the spring blooming trees, and feel the warm sun on your face. Have a great spring!

Lisa Craddock Thitoff
MPCA President

MinervaFlora News

Thank you to residents who helped with the MinervaFlora Clean-up on April 17: Melissa and Rebecca Bacon, Bob Gale, Oren Gillespie, Janet Kohn, Kathy Korb, Anita Pryjda, Rex Shoemaker, and Lisa Craddock Thitoff.

The Minerva Park Garden Tour will be on Sunday, June 27, from 1p to 5p. If you would like to be on the tour or would like to help, call Bob Gale at 882-8622.

Hydrant Flushing

As part of its annual maintenance program, the MP Fire Department will flush village hydrants throughout May and will inspect the area around the hydrants, removing any obstructions, including shrubs. While hydrants can be unattractive, it is dangerous to obstruct the visibility and access to hydrants. The extra minute that it takes the Fire Department to find a hydrant could mean the loss of additional property or life. Please keep hydrants in plain view.

Rain Barrel Making Demonstration

May 15 - 10a
Community Building

Join Green Team members on May 15 as we demonstrate for you how to make your own rain barrel. Save money on water bills while using fresh rainwater to nurture your gardens all season. We will meet at 10 a.m. at the Community Building. You will be sent home with step-by-step directions and other resources to help you become even more sustainable in your gardens this season. For more information, contact Greg Wittmann at 523-2178.

The Green Team is a group of MP private citizens who strive to create an environmentally friendly village through sustainable living practices.

Underwritten by your MPCA dues
I hope you are enjoying the spring weather as much as I am with the Village foliage in bloom and temperatures finally warm enough to comfortably work in the garden.

**Replacement Levy:** We are asking for your support on Election Day (May 4) of a 5-year, 4.0 mill levy. This is not a new levy, only a replacement for an existing levy that is expiring this year. Costing 40 cents for each $100 of valuation, it is estimated that it will generate $115,010.32. With your passage of this replacement levy, services such as trash hauling, yard waste and curbside recycling programs ($98,000/yr), Police ($589,200/yr), Fire/EMS ($72,000/yr), leaf removal ($20,000/yr), and snow plowing services can continue unabated.

All Council members were present at the Regular Council meeting held April 12. The following reports were made:

**Police:** Acting Chief Adam Beach reviewed his monthly report.

**EMS/Fire:** Chief Rick Hoechstetter reviewed his monthly report. He is waiting for an Administrative Order, from the Bureau of Underground Cisterns, Tanks, and Regulation (BUSTR), mandating Tier I testing at the Payless Quickstop gas station at Woodley and Cleveland.

**Planning & Zoning and Code Enforcement:** Dick Busick reported that a summer day camp with a maximum occupancy of seven children and signage for the Jordan Road & Cleveland Avenue shopping center were discussed at the April Planning & Zoning meeting. In response to some concerns from residents that properties are not being maintained properly, Dick is conducting a Village-wide survey. More on this next month.

**Minerva Park Community Association:** MPCA President Lisa Craddock Thitoff reported that the pie sale was very successful; approximately 70 children attended the Easter Egg Hunt; the Summer Music Series dates are June 20, July 11, and August 8; the Garden Tour is June 26; and the Annual Community Garage Sale will be August 14.

**Northland Community Council:** The Annual Awards Banquet will be held May 4 at Villa Milano. Past MPCA President Bob Gale and past MPCA Secretary Gretchen Persohn will be Minerva Park’s recipients of the President’s Award in recognition of their years of service to our community and the MPCA. An NCC-sponsored clean-up for the 161 area has been scheduled for May 15.

The following committee reports were made:

**Community:** Councilman Matthew Danzuso reported that Lake Clean-up is scheduled for April 24, and he continues his preparations for the event.

**Finance:** Council President Pam Park-Curry received approval from the Council for warrants totaling $93,197.11 and for a Then & Now PO of $4,979.00.

**Legislation:** Councilwoman Sharon Bierman asked the Council to consider the following legislation:

- **Resolution 2010-06** - Authorizing the Mayor to establish pay schedules for Village employees. Third reading accepted. Passed.
- **Resolution 2010-07** - Authorizing the Mayor and Clerk-Treasurer to enter into contract for general liability insurance. Second reading accepted.
- **Resolution 2010-09** - Authorizing codification of Ohio State law provisions, including traffic and general offense codes. Second reading accepted.
- **Resolution 2010-10** - Authorizing the Mayor and the
Clerk-Treasurer to enter into contract to provide vending machines at the Minerva Park Pool for the 2010 pool season. First reading accepted.

**Resolution 2010-11** - Authorizing an internal control policy for receiving and disbursing proceeds from forfeited, unclaimed, and abandoned property and contraband. First reading accepted upon the following vote: aye (Bierman, Danzuso, Park-Curry, Stanley), nay (Segovia, Walter).

**Ordinance 01-2010** - Repealing 13-92 regarding a comprehensive health and medical testing program for MP police officers. Second reading accepted.

**Safety**: Councilman Todd Walter reported that he has submitted the First Quarter Report of police cruiser repairs. There will be a Safety Committee meeting on April 19.

**Service**: Councilman Roberto Segovia reported there will be a meeting of his committee held on May 3 to discuss the upcoming trash and leaf contracts. He has inspected the storm drains.

**Streets**: Councilman Kent Stanley reported that he and his committee members have inspected the streets for pothole and crack repairs and sealing. Village Engineer Flickinger will review the report, draft a scope of work, and submit a proposal to the Mayor and Council for repairs. After a lengthy discussion, it was decided to wait one more year to gravel the pool parking lot but to level out the existing gravel instead.

**Old Business**: Monies had been approved several years ago to pour gravel to improve the surface of the alley behind the 5300 Cleveland Avenue shopping center. After consulting with Chief Hoechstetter, it was decided that these efforts mainly for the purpose of fighting a fire (surface improvement and reinforcement to accommodate fire trucks/equipment) would in fact hinder those efforts, and the plan was abandoned. If a fire occurs at the center, fire fighting equipment would be staged on paved roads outside the immediate danger zone and for accessibility to hydrants.

**Minerva Park Police**

**March** - MP Police made 6 misdemeanor arrests and 1 felony arrest; all were transported to the Franklin County jail.
3-4 ..... 9:56a, 2800 blk Lakewood, false alarm

Below is a representation of the ballot you’ll see at the polls this election. You may make your selections on this sheet and take it with you to the polls.

**ISSUES (all voters)**

**#1 Extend the Ohio Third Frontier program by authorizing the issuance of add'l general obligation bonds to promote economic growth**
(Proposed by Joint Resolution of OH General Assembly) Amend Section 2p of Article VIII of Ohio Constitution:
- Continue funding for research and development purposes by authorizing the state to issue $700 million of general obligation bonds to renew and continue programs for research and development in support of Ohio industry, commerce, and business.
- Limit the amount of all state general obligations that may be issued for and the amounts of proceeds form those state general obligations that may be committed to those research and development purposes, to no more than $450 million total for the period including state fiscal years 2006 through 2011, no more than $225 million in fiscal year 2012, and no more than $175 million in any fiscal year thereafter, plus any amounts that in any prior fiscal year could have been but were not issued or committed.
- Require stage agencies awarding funding from those state general obligations to obtain independent reviews or and recommendations as to the merits of proposed research and development projects. The Governor, the President and Minority Leader of the Senate, and the Speaker and Minority Leader of the House of Representatives must be provided information regarding the independent reviewer prior to any award, and the stage agency proposing the award must also notify those officials if the recommendations of an independent reviewer are not adopted by that stage agency for the proposed project and the reasons for not adopting those recommendations.
If adopted, this amendment shall take effect immediately.
- Yes - approve the amendment
- No - disapprove the amendment

**#2 Change the location of the Columbus casino facility authorized by previous statewide vote**
(Proposed by Joint Resolution of OH General Assembly) Amend Section 6 of Article XV of Ohio Constitution:
- Change the location of the Columbus area casino authorized by statewide vote at the November 2009 general election from the area known as “The Arena District” to the site of a former General Motors/Delphi Corp. manufacturing plant. The amendment makes no change regarding any other casino authorized by the previous statewide vote.
If adopted, this amendment shall take effect immediately.
- Yes - approve the amendment
- No - disapprove the amendment

**#25 Proposed Tax Levy (Replacement)**
Village of Minerva Park
A replacement of a tax for the benefit of Minerva Park for the purpose of current expenses at a rate not exceeding 4 mills for each one dollar of valuation, which amounts to $0.40 for each one hundred dollars in valuation, for a period of five years, commencing in 2010, first due in calendar year 2011.
- For the levy
- Against the levy
