MAYOR’S REPORT

Lynn Eisentrout

I hope everyone had a Happy Easter and a good time with friends and family.

**Golf Course Updates.** The Fischer Homes representative, his planner, the Ohio Department of Natural Resources (ODNR) Dam Safety Engineering Program’s Senior Engineer, and I met to discuss the proposed development plans, the impact that any development will have on the earthen dam classification, any needed repairs, and the developer’s role in those repairs. ODNR requested that Fischer conduct a flood inundation study and submit the results of this study to ODNR so this agency could determine the appropriate classification of the dam. This will be a time-consuming effort for both parties. Any topographical and flood data will be critical to the classification of the dam and the plans that Fischer will present to the public at the Town Meeting. Because there is so much work to be done and data to be processed, the Town Meeting will be held Sunday, April 28, from 4 p.m. to 6 p.m. at Hawthorne Elementary School’s gymnasium. Please contact me if you have any questions or concerns.

**Balancing the Budget:** If you read Fiscal Officer Lynda Sudderberg’s Year in Review report in last month’s Villager (pages 5 & 6), you have a pretty good snapshot of our decrease in Local Government Funding and the impact of the elimination of the Estate Tax and of the recession on property tax and income tax revenues. We continue to try to provide the same level of services to our residents, with expenses increasing and revenues decreasing. Additionally, the Village was required to submit a balanced budget to the Auditor’s office by March 31. To that end, the Council passed two pieces of legislation at the March Council meeting: Resolution 2013-07, amending Resolution 2010-18 regarding the contract for collection and removal of rubbish, trash, recyclables, garbage, and yard waste for the Village of Minerva Park (reducing General Fund expenses by $98,000), and Ordinance 01-2013, amending Ordinance 07-2004 regarding income tax to provide for the repeal of the tax credit commencing July 1, 2013 (increasing 2013 revenues by more than $32,000, and future years by more than $91,000). The Village Council has not made these tough decisions easily or without a great deal of thought. For further information, please visit minervapark.org and click on the FAQ links.

**Public Hearing:** There was a Public Hearing on March 11 to consider a variance for conditional use for a day-care specific to a proposed tenant at 5236-5272 Cleveland Avenue. After a presentation by the property owner, his architect, and the applicants, and a lengthy discussion by the Council and residents in the audience, the Public Hearing was concluded. The variance request was voted on during the Planning & Zoning portion of the Council meeting.

All Council members were present at the regular Council meeting held on March 11.

**EMS/Fire:** Chief Rick Hoechstetter reported that the radio contract with the City of Columbus was renegotiated after billing the department under the wrong clause and will now save the Village about $1,000 per year. He will be approaching other carriers for proposals for the department’s air (a card that acts as a “cell phone” for the EMS vehicle’s computer).

**Police:** Chief Kim Nuesse reported our Department, the Franklin County Sheriff’s Department, and Sharon Township

---

**Town Meeting**

Sunday, April 28, 4p-6p
Hawthorne Elementary Gym

**GOLF COURSE**

May 13, 6:30p, Community Bldg.

Attend a PUBLIC HEARING to consider 2 Planning & Zoning variance requests.
• Lisa Richards, 2620 Woodley Road, for a covered front porch.
• Kent Stanley, 5244 East Shore Drive, for a 5’ marble aluminum fence.
have formed a partnership to present the Central Ohio Volunteers in Police Services Program. This free program offers CPR Training, First Aid Instructions, Terrorism Prevention and Awareness, Disaster Preparedness and Awareness, Traffic Control, Fire Safety and light Search and Rescue. There is value in these courses by having residents trained to assist their neighbors and themselves in the event of storms or other emergency situations. Classes began March 16. A similar program for teenagers called the Explorer’s Program is being offered. For more information, please call Chief Nuesse at 882-1408.

Legal: Law Director Jennifer Croghan reported that the Franklin County Common Pleas Court ruled on the Jason Gross Administrative Appeal. The Finding was that the Village Council’s recommendation for a three-week, unpaid suspension was upheld.

Planning & Zoning and Code Enforcement: The Commission heard two zoning compliance applications and two variance applications, one for a fence and one for a covered porch. The variances will be heard by the Village Council at the May Council meeting. The variance request referred to above as a Public Hearing (for the day-care center) was put to a vote: three ayes and three nays. The tie was broken by the Mayor with a nay vote.

Minerva Park Community Association: MPCA President Lisa Craddock Thitoff reported that the Community Garden met on March 10 and that all of the garden plots are spoken for. The Butterfly Habitat Program was well-attended. The NCC President’s Award Banquet will be held on April 11 at Villa Milano. Chief Nuesse was nominated for the Minerva Park President’s Award. Shredding day will be on April 13 from 10 a.m. to 2 p.m. at the former Kohl’s store location on Morse Road.

Northland Community Council: Mayor Lynn Eisentrout reported for Bob Gale. The Columbus Police Department reported various incidents at the I-71-161 Interchange. The Karl Road Library has begun a Kindergarten Readiness Program.

The following committee reports were made.

Community: Councilman Dave Way reported that there will be a Community Service Day on April 27 from 8 a.m. to noon. For more information, please contact Dave at 895-9963.

Finance: Council President Pam Park-Curry received approval for the month-to-date expenditures of $82,513.56. Discussion followed on various issues. There would be a Finance Committee meeting on
March 25.

**Legislation:** Councilman Richard McCreary asked the Council to consider the following legislation (minervapark.org/legislation):

- **Resolution 2012-22** - Authorizing the Mayor and Fiscal Officer to enter into a contract for Village Engineer for 2013. Passage - all ayes.
- **Ordinance 1-2013** - Repealing the 50% income tax credit. Suspend the rules & waive the 3 readings; passage as an emergency. All ayes.
- **Resolution 2013-5** - EMS billing for nonresidents. Suspend the rules & waive the 3 readings; passage as an emergency. All ayes.
- **Resolution 2013-8** - Setting the fees for the 2013 pool season. Suspend the rules & waive the 3 readings; passage as an emergency. All ayes.

**Safety:** Councilman Todd Walter provided the 2012 and a comprehensive four-year vehicle repair and maintenance report.

**Service:** Councilman Roberto Segovia reported that he will provide SWACO information at a future date.

**Streets:** Councilman Charles Legg will begin an inspection of the streets for street and pothole repairs once the weather improves.

---

**Old Business:** Chief Hoechtstetter expressed his appreciation to the Council for passing the EMS billing legislation, especially Council members McCreary and Walters and Legal Counsel Croghan.

**New Business:** A Special Council meeting would be held on March 20 to discuss the budget, and a Legislative Committee meeting had been tentatively scheduled for March 18.

---

**Curbside Recycling**

By Local Waste Services 409-9375

What goes in your recycling bin?

- **paper** - newspaper, newspaper inserts, magazines, catalogs, envelopes, computer paper, brown paper bags, paperboard (cereal boxes), broken down cardboard boxes, telephone books
- **plastic bottles #1-#7** ... remove caps & rinse ... all plastic bottles, milk jugs, soft drink, laundry, detergent, shampoo bottles
- **glass** - clear, brown, green, blue, food & drink containers, bottles, jars
- **aluminum & steel cans** - beverage, soup, food, empty aerosol cans

What does NOT go in your recycling bin?

- oil jugs, plastic bags, wide mouth containers & buckets, window glass, drinking glass, pots, pans, coat hangers, paint cans

Tree City USA

By Jennifer Pauken

When asked what they love about this neighborhood, many residents immediately point to Minerva Park’s natural beauty, especially our mature, lovely trees. In an effort to recognize and promote MP’s dedication to our urban forest, the Green Team is in the process of pursuing a Tree City USA designation from the Arbor Day Foundation.

According to the Arbor Day Foundation, becoming a Tree City offers several benefits. Our commitment to a healthy urban forest helps Minerva Park and its residents in a number of ways:

- **Reduced costs** for energy, storm water management, and erosion control. Trees yield up to three times their cost in overall benefits to the city, averaging $273 per tree.

- **Cut energy consumption** by up to 25%. Studies indicate that as few as three additional trees planted around each building in the United States could save our country $2 billion annually in energy costs.

- **Improved property values** in the community. Properly placed trees can increase property values from 7%-21%, and buildings in wooded areas rent more quickly and tenants stay longer.

- **Build stronger ties** to the neighborhood and community. Trees and green spaces directly correlate to greater connections to the neighborhood and neighbors.

  Participation in the Tree City USA program provides MP officials and citizens with access to support and information regarding tree management, including resources for developing and improving tree ordinances, planting, and tree care. It demonstrates community pride and recognizes the importance of conservation and caring for the environment. After all, our trees contribute much in terms of cleaner air, shadier streets, and a more beautiful community.

For more information, visit arborday.org/TreeCity.

**Editor’s Note.** The Green Team is a committee of your MP Community Association, consisting of concerned residents who work to create an environmentally friendly and sustainable neighborhood. All MP residents are invited to the next meeting on April 16, 7:30p, at the Community Building.

Getting to Know You

By Rose Hart, Resident

The Villager prints a periodic personal-interest feature about MP residents to get to know people in our special Village and to deepen the sense of community.

This month we feature an East Shore Court neighbor ...

**Lori Vogel**

1. How long have you lived in MP? What are your occupation and your most interesting job? "I've lived in Minerva Park for 8.5 years. This house was my grandparents' home from the early 1960s, and several of their original neighbors who knew me as a baby still live next door. During my childhood, I visited this house from Maryland with my parents and sister and brother. We were always here for Christmas, and this house is full of precious memories."

Lori has had several very diverse and interesting jobs. "Since moving here, I have worked as an in-home day-care provider. Before I had children, I worked as a design and production assistant for a Columbus-based fashion designer. I then changed careers and worked as a certified personal trainer for 5 years, which was interesting and rewarding because it involves so much more than just physical fitness. I got to hear people's stories and had the opportunity to address issues that go far beyond just exercise and nutrition."

2. What do you like and dislike about living in MP? "I feel incredibly fortunate to be a part of Westerville City Schools here in the Village and to have our community pool and emergency services. I do wish that we had sidewalks throughout the Village."

3. What is interesting about you that your neighbors may want to know? What are your hobbies? "My father, Bob Vogel, played for The Ohio State University under Woody Hayes and was a close personal friend until Woody's death. He was a first-round draft choice for Baltimore in 1962 and played with the Colts for 10 years, including two Super Bowls."

Lori loves gardening, yard work, do-it-yourself home improvement projects, and reading. She recently read Heaven Is For Real and found it fascinating and thought-provoking.

Lori also works as a volunteer at the Northside Food Pantry on Cleveland Avenue near Morse Road. This is part of the urban ministry of Vineyard Church of Columbus. They serve 80-120 families every Saturday morning. "One of the things that I really love about the Vineyard is the care and compassion that is extended to our entire community outside the walls of the church. Serving in this capacity is a privilege and really keeps things in perspective for me."

4. Where have you lived before? "My family moved from Maryland to Delaware County OH in 1976."

5. Funny Story. Every year, Lori takes one week for an adventure get-away with her 2 boys, Gunnar and Braden. Two summers ago, they went to the primitive side of a Caribbean island and lived in a tree-house cabin for a week of exploring, swimming, and snorkeling. The boys' luggage arrived, but Lori's did not. So she spent the vacation of a lifetime wearing her 12-year-old son's clothes! Gunnar is now 14 and a freshman at Westerville South, and Braden is 9. •

Interviewer's Comment. While I was interviewing Lori, I met Megan Brooks who was there to pick up her son from daycare. Megan is married to the grandson of the Minerva Park builder Rodney McCullough, who built many of the homes in the Village during the 1950s and 1960s. I love this job because it brings me closer to my neighbors!

If you wish to be featured in "Getting to Know You" or nominate a neighbor, send an email to rose_hart@hotmail.com.
