**Mayor’s Report**

Lynn Eisentrout

This month’s report is unusually brief. There will be more after January’s meetings.

I will be meeting with the Ohio Water Development Authority in early January to explore what funding (grant) opportunities may be available to the Village for the Lake Dredging Project.

I also have a meeting scheduled in early January with the company that will be performing the earthen dam remediation. The purpose of this meeting is to discuss the final draft of plans before submitting to the Ohio Department of Natural Resources for their review.

Happy New Year to all. I wish you all a peaceful, happy, and healthy 2017.
